her reproductions.

Madonna Row, El Camino's "The Virgin of Santa Inez and "Christmas card to the community," will again take its place on the front lawns of the college's Administration Building on Crenshaw Boulevard from Friday to Jan. 1.

Originated in 1949 by Miss Mildred Walker, art instructor, Madonna Row is a series of reproductions consisting of eight oil paintings, two mosaics, a stained-glass window and a medieval tooled book cover.

New to the "outdoor gallery" this year, is a minefoot in diameter, round, oil painting the production of the most included the most included the most included the most included two most included t

in diameter, round, oil paint-ing by Raphael, Entitled "Ma-donna of the Chair," the work is the product of art students Mauritzio Barratucci and Jack King under the direction of Miss Walker.

SCHEDULED to be unveiled today, the "Madonna of the Chair" will feature corner de-signs by students of El Ca-mino's craft classes under the supervision of Richard Oliver. Highlighting the art display is a stained-glass window taken

is a stained-glass window taken directly from the Blue Madon-na of Chartres Cathedral in France. Using glass imported from France, the window was "fired in the true tradition of rothic conference". Man Weller said.

Appraised at \$7,000 by ex-perts, the window is almost the exact of the original in France

"As the original center decoration of the book was almost incapable of being reproduced, we had to substitute a Madonna of a different

City Attorney Remelmeyer said he had been notifying the planning director and city manager during the year that such hearings were necessary, but that nothing apparently was done.

has seen nine of them on visits to the art galleries of Europe and on her recent trip around the world.

#### Tuesday night's postponement of the deadline, set several years ago at Jan. 1, 1963, followed a recommendation by City Attorney Stanley Remeimeyer. He said it "would be a mistake to go ahead and oust the dairies before the public hearings and a determination of the facts." Attorney Atkinson would not accept a stipulated agree-Attorney Atkinson would not accept a stipulated agreement that an extension be granted with the understanding that all dairies would be gone at the end of the period. Appearing on behalf of the Torrance dairymen was Attorney George E. Atkinson Jr., Paramount, who has spent several years seeking to solve the growing dairy problems to Los ral years seeking to solve the rowing dairy problems to Los ingeles County. He indicated, however, that dairymen were anxious to avoid a court battle on the ouster, and would work hard to settle the matter. growing dairy problems to Los Angeles County. ATKINSON said he thought the city should proceed with the public hearings and make a determination on the matter, but asked for a delay in the enforcement of the deadline Hearings will be scheduled before the Planning Commis-sion and then the matter will be returned to the City Coun-cil early next year. "Economic factors will govern the outcome of this," he said. He pointed out that land is becoming too valuable in Torrance to be used for dairy operations, and that owners were going to be forced to sell their land for other uses. "It's going to happen to all
