A PRETTY GIRL IS LIKE A MALADY

YOUNGEST CADILLAC IN SIXTY-ONE YEARS!

Take a good look at a new 1963 Cadillac and you'll see what we're talking about.

For this one has a freshness . . . a brightness . . . a spirit . . . a flair that has never been seen before in a Cadillac car.

It's the look of youth—and it's written in every clean, crisp line . . . and mirrored in every lithe, nimble move that the car makes.

And so it is not surprising that this beautiful new Cadillac is adding a host of youthful admirers to the ranks of its enthusiasts.

Nor is it remarkable that so many younger motorists can be seen this year at its wheel.

In fact, motorists of all ages have taken this Cadillac to their hearts as never before. The reception that has been accorded this new "car of cars"—whether measured by the praise of its followers or the number of its owners—is simply without precedent.

Why not visit your authorized Cadillac dealer soon—and see for yourself what the talk is all about?

Young in fact or young at heart—we know you'll want to make it yours!
