**Exclusive Supervised Playground for Your Youngsters**

Even another exclusive feature makes Rolling Hills Plaza one of the most unique in the nation. Where else would you find a free adult supervised playground, where your children can play while you shop. There is no charge, nor is the playground a mere pile of sand. Junior can captain a pilot ship until he spots the atomic submarine and will probably be detoured by the galloping western horses in between. A trip on the thrill slides will only prepare him for the climax of a ride on a ship in orbit. Discover us today!
