

# If You Write, Don't Lose Your Manners

By Count Marco

It is difficult for me to pick the letters I want to share with you. I pride myself on the nice ones and thank you for each and every one of them. I answer personally each that has a return address.

If I should miss yours it's perhaps because you forget to enclose your address or, as in the following letters, are so upset and unhappy (knowing that every word I write is the truth) that you forget your manners.

Take this woman from Chicago who clipped my column in which I wrote, "Wear High Heels in the Morning." Before mailing it back to me she wrote across it in heavy blue crayon, "Baloney! High heels and low ideals, they go together."

As if this were not enough, she further enclosed a news clipping which purported to say that

Communists are very happy to see millions of American women wearing high-heeled pinch-toed health destroyers instead of sensible shoes.

"Obviously," she commented, "you're a dedicated Communist." No, I'm only dedicated to making the American women happier. Win some, lose some, I guess.

Here's another. "I think you're a man who thinks he is God's gift to women. If the women who read your columns follow your advice they're as nutty as you are."

"I am a married woman with four little children, all boys, under 3 years old. Thank you for reading my opinion of you. /s/ Mrs. M. D."

Oh, think nothing if it. Thank you for reading my opinions of you.

"Count Marco: To think you get paid to write some of those stupid articles! I can see you have a lot to learn about these moaning, complaining, stupid and sloppy women you talk of all the time. /s/ Mrs. G. K."

Yes, I do. Just what would you like to tell me about yourself?

"My Dear Count: I just finished reading your column and it made me madder than a wet hen and not just because I got myself a rotten husband, either."

"I challenge you to come live in my home for one week. I guarantee that you'll be singing out of the other side of your mouth. Boy! You have nerve. Right now I could throw a frying pan at you. /s/ Mrs. D. M."

Just for that I won't come visit you.

## Appliance Dealers in Gas Dryer Campaign

Appliance dealers here are moving into the fourth week of a special 10-week gas clothes dryer sales campaign, they announced today.

In making the announcement, the dealers pointed out that the sales drive, which

ends in mid-April, is being carried out here as part of a gas dryer sales program being carried on simultaneously by dealers throughout the southern half of the state.

Theme of the campaign, designed to acquaint housewives

with the features of modern gas dryers, is — "Buy Now During Gas Dryer Days!"

In announcing the program, dealers pointed out that advantages of a gas dryer are particularly appealing during the Southland's winter weather

season, but the gas dryer owner reaps year 'round profits in convenience, versatility, and speed.

IN ADDITION, the dealers said, gas laundry equipment is designed to handle every type of fabric, from heavy denims to delicate synthetics.

Articles are tumbled in clean, warm air, and come out of the dryer with the fresh smell formerly familiar only to line dried clothes.

With a modern gas-fired dryer, they added, the homemaker can turn her laundry chores over to the machine no matter what time of day or night and regardless of outside weather.

Major department stores and individual gas appliance dealers throughout the Southland are displaying popular prices on some brands of gas dryers, including Frigidaire, RCA Whirlpool, Maytag, Norge, Hamilton, Easy, Durracrest, Blackstone, Roper, Speed Queen, Kelvinator, Philco, Marquette, and Zenith, the dealers' announcement said.

There are two kinds of men who don't understand women—bachelors and husbands.

EVERY ONE WHO WOULD LEARN TO PRAY

needs this book

Every right thinker knows that God is, and wants, so much, to approach Him intelligently through prayer—to commune with Him and to listen for His guidance.

In the first chapter of Science and Health with Key to the Scriptures by Mary Baker Eddy there is an inspiring and practical explanation of prayer.

A great number of people, through the study of this chapter, have found needed health, harmony, supply and well-being.

Science and Health may be read or examined, together with the Bible, at any Christian Science Reading Room. Or it may be purchased at \$3.
