### College Gets Gift Of Books

A gift of scientific and technical journals valued at more than \$600 has been made to the new California State College at Palos Verdes by William J. Haddock of Redondo Beach.

The gift includes more than 400 issues of such periodicals as the American Journal of Science, and the Journal of Geology, and Instruments and Automation.

Dr. Leo F. Cain, president of the new college, accepted the gift and expressed his appreciation of the evidence of community interest in helping to build the college library.

Dr. Cain also said others who might wish to donate materials for the library should contact Clarence Gorschels, librarian at the temporary quarters of the college at 2930 W. Imperial Hwy., Inglewood.

The costs of offshore oil operations are staggering. Some deep-water drilling rigs cost more than \$6 million each. The cost of operating such a facility can run as high as \$17,000 a day.

### Theater Group Breaks Long-Time Tradition

Breaking a long theatrical tradition, the Bay Cities Theatre Assn. will open its fall season of musicals on Friday, Sept. 13, with "Finian's Rainbow," at the Mira Costa High School Auditorium.

Although the cast does not intend to whistle in the dressing rooms, throw their hats on beds, or peek through curtains prior to show time, they do not feel that a Friday the 13th opening will prove unlucky.

Tickets are currently on sale and may be purchased at 320 Manhattan Beach Blvd., 2200

Artesia Blvd., and 130 Pacific Ave.

Phone reservations may be made by calling Mildred Mendell at 323-5298. All seats for all performances are reserved. The musical will run on Sept. 13, 14, 20 and 21.

Starring Robert Bailiff of San Pedro and JoAnn McLean of Torrance, "Finian's Rainbow" is directed by Charles Rothlein with choreography by Carl Whitmer and the professional orchestra conducted by Louis Palange of Hollywood.

**HERE IS HOW . . .** Linda Sloma and Robert Bailiff (right) principals in "Finian's Rainbow," discuss the show with director Charles Rothlein. The musical will open Sept. 13 at Mira Costa High School Auditorium on Artesia Boulevard and Pacific Coast Highway in Manhattan Beach.

### WHAT'S DOING

R.S. Pyle, your Telephone Manager in Torrance

Did you know that we use fire to help save you money? In big furnaces, scraps of telephone wire are melted down; then the metal is used to make new wire. In fact, we gather up all worn-out telephone equipment and salvage and renew all reusable parts. Damaged phone booths, for example, are rebuilt good as new, and even the cartons new telephones come in are used over and over. These are just some of the things that help keep down the cost of telephone service to you.

With an extension wallphone next to your workbench, you can stay on the job while you take or make calls. Sure saves a lot of steps.

It's always a good idea to teach your youngsters how to use the telephone at an early age. You never know when they might have to use the phone in an emergency. Perhaps one of the first things they should know is how to reach the Operator. She's always a willing source of help.

You'd be surprised how often people miss parts of a telephone conversation when the other party doesn't speak directly into the mouthpiece. It's a helpful point to remember whenever you make a call.

### SUMMER SIESTA

This is the time of the year when many a family backs the car out of the garage and heads for the mountains or ocean for a couple of weeks or so.

Leaving the toll and stress of the 50-week world behind for a while—which seems forever when you're leaving and no time at all when you get back—you light out blissfully for the open road.

Although our service goes on 24 hours per day, 52 weeks per year, we at Pacific Telephone take our vacations regularly, and, just like you, here are some of the things we might forget without a reminder:

- 1) Get that old car—or new one for that matter—checked before you wheel out onto the highway.
- 2) Drive carefully—even if it means you'll have to come back to the old grind again.
- 3) Telephone ahead to confirm reservations.

Also, if you don't mind our saying so, it's nice for the hard working folks back at home to hear from you once in awhile—via telephone, naturally.

Bon voyage. —Pacific Telephone
