OUR OWN HOME ECONOMIST

The two weeks before vacation officially ends are usually heavy entertaining times and often call for special occasion food. Our handsome FRESH CHERRY COCONUT RING is elegant enough for any special function and doubles as either salad or dessert. Its soft pastel color gives it a shimmering coolness, and the creamy gelatin base is studded with cherry slices and plenty of fresh grated coconut. . . perfect hot weather fare! Try it at your next "dress-up" dinner or weekend patio luau. Pick up your free copy this week!
