

... Ann Landers

(Continued from Page 9)
 Dear Questioner. Sometimes people laugh because they are self-conscious. Laughter releases tension.
 In the case of your friend, and probably your mother's friend, too, the laughter may not have anything to do with humor. Once you understand this it makes "senseless" laughter easier to tolerate.

Dear Ann Landers: I'm a girl 18 who graduated from high school last spring. My father will send me to the local teacher's college if I want to go. I can't make up my mind. Please help me.

I started to go with a fellow five months ago. He is 26, and has three small children. His wife died last year. He's a very nice person and we get along well together, but I don't know if I am able to be a mother to his three children. They are all spoiled because their grandparents have catered to their every whim since their mother died. To be honest, I think I'd have my hands full.

My parents have not tried to influence me one way or the other. I think I am writing to you because I want you to tell me, "DON'T MARRY HIM." What does this sound like to you — DON'T KNOW MY OWN MIND

Dear Don't Know: "DON'T MARRY HIM." This is indeed what you want to hear, so I am telling you.

Your lack of enthusiasm is pretty obvious and the questions you raise are valid ones. If you wish to continue to see this man, along with others, I see no reason why you should not. But marriage at this time—no.

To learn the busy-trance of teenage drinking, write for ANN LANDERS' booklet "Teenage Drinking," enclosing with your request 20 cents in coin and a long, self-addressed, stamped envelope. Ann Landers will be glad to help you with your problems. Send them to her in care of this newspaper enclosing a stamped, self-addressed envelope.

CLOSING REDONDO SHOP

Spectacular Moving-Out Sale now in progress. One store clearance. Values out of this world!

Message To Our Customers and Friends:

After 18 years we are closing our Redondo Shop. This action is taken with deep regret, as customer relationship such as we have enjoyed is not taken lightly. However, the South Bay area the past several years has drastically changed population-wise, we find it impractical to operate two Mademoiselle type shops in this area. Since 95% of our customers have revealed a preference to shopping in the sparkling, new Peninsula Center, we open a new beautiful shop opposite Buffums in early October. We hope in time to convert all our customers to this outstanding shopping area. Our new Los Angeles shop "Bain's of Las Vegas" and an enlarged Mademoiselle Westchester shop will complete the circle.

SEASONAL MERCHANDISE . . . No special merchandise has been bought for this Farewell Sale. Every piece is from regular stocks of our 3 shops with original price tags left on for your assurance and protection. Because of drastic reductions, no returns or exchanges . . . all sales are final.
