Everything to Keep You in Fun

FISH STORY . . . Four San Pedro youngsters listen closely to the tales of a San Pedro fisherman about the three-day Fishermen's Fiesta. Guiseppe Guavissi explains some of the pageantry to Guy Morgan, Jeff Morgan, Topper Morgan, and Scott Lloyd. The Fiesta fever is building for the climax of the festival on Sept. 29.

Fiesta Plans Being Made In San Pedro

The San Pedro fever seems to be catching. At least, the enthusiasm is building up to a fever-pitch as preparations near completion for the annual Fishermen's Fiesta.

The busy seaport will take time out Sept. 27 to 29 to salute some of the fishermen who operate the world's busiest port. More than 250,000 people are expected to line the harbor for the spectacular Parade of the Fishing Fleet.

Visitors will dine at several port side "International Food Booths," and line dance floors later for the international folk dances.

The fishermen, descendants of old world fishermen from six nations, have chosen "Around the World" as the theme for this year's Fiesta.

NEW SONG . . . San Pedro's colorful Fishermen's Fiesta has inspired a ballad by the same name to be released for national distribution this week. The Fiesta Five, composed of (L to R) John Brunac, Phil Richards, Patrick LaCanfora, John Calise and Joe O'Hara, is the first group to record the song. The Fiesta will be held in the Port of Los Angeles Sept. 27-29.
