

Selection of El Camino Grid Queen Opens Today

Nine El Camino College coeds will face an all-male electorate in the campus selection of the 1963 Grid Queen today and Friday.

While the Associated Students make their choice of candidates to represent them in class and other student posts, the Associated Men Students will cast ballots to designate

their top three choices for grid royalty.

Although the trio will be identified shortly following elections, the name of the queen, herself, will be withheld until the evening of the annual Grid Dance, Oct. 11. Runners-up will be designated as princesses.

IN CHARGE of the dance

and coronation proceedings is Sonny Cox, Los Angeles, president of the Associated Men Students.

Coeds vying for the grid queen honors will be presented to the Associated Students with other candidates for office at an election rally scheduled for the Campus Center steps at 11 a.m. today.

Escorted by AMS officers, the queen and her attendants will reign during pre- and between-half ceremonies of the El Camino-Cerritos football game in Murdock Stadium, Oct. 12.

Each of the eleven candidates must boast a grade point average of 2.0 or better and a

present academic load of at least 12 units.

AMONG THE candidates is 18-year-old Arleen Andrews, 17320 Glenburn, Torrance, the daughter of Mr. and Mrs. Joseph Andrews.

A graduate of North High, Miss Andrews has held the office of president of the college dance-drill team, the El Ca-

mettes, and has served as a song queen. Among her aspirations is to become a mathematics teacher on the secondary level following a transfer to San Jose State College for completion of her upper division requirements next year.

PATTY MARDIS, 23320 Anza Ave., Torrance, is the 19-year-old daughter of Mr. and

Mrs. Raleigh L. Mardis and a graduate of Mira Costa High School.

An English major, Miss Mardis has expressed the intention of affiliation with the ECC chapter of the Newman Club. Following the current academic year she plans to work, prior to spending a year of school in Europe.

Another Torrance resident, Sharon Murphy, resides with her parents, Mr. and Mrs.

Thomas E. Murphy at 2859 Monterey St.

AN 18-YEAR-OLD theater arts major, the Torrance High School graduate plans to complete her education at UCLA following graduation from El Camino College.

The 1963 grid queen will succeed Miss Vickie Kocher of Inglewood. Princesses last year were Patti Campisi of Torrance, and Sande Sher, Gardena.
