New Staff Aide Joins ACS Drive

A new addition to the volunteer staff of the local District of the American Cancer Society was announced yesterday by Mrs. P. B. Marsh, district general chairman for the Society.

Mrs. Lionel Sangster has been named as the Centinela Valley-South Bay District Service Chairman. Mrs. Sangster, who resides at 4231 West 59th Street, Los Angeles, will coordinate activities for the many cancer dressing units that produce free dressings for many of the area's cancer patients, as well as developing and maintaining the production of comfort items, which are given, free of charge, to area cancer patients.

Mrs. Sangster, who is an active member of the El Segundo Station of the Order of the Eastern Star, will also coordinate activities of the centers Transportation division of the local Society District.

Cancer patients of the area, who are unable to provide their own transportation to treatment centers are provided free transportation through the services of the local district's service division.

Benefits Do Not Rule Out Employment

Many residents of the South-west area are working regularly, while receiving Social Security benefits, according to Miles Davis, district manager of Social Security in Torrance.

Benefit payments are adjusted to income. Full Social Security payment is made if earnings are \$1200 or less. For income between \$1,200 and \$1,700, \$1 of benefits is withheld for each \$2 earned. For all earnings above \$1,700, \$1 in benefits is withheld for each \$1 earned.

Persons expecting to earn over \$1,200 during the year must send an estimate of expected income to the Social Security Administration at beginning of the year so proper number of checks can be withheld, otherwise repayment at end of year may be necessary.

Further information is available at the Social Security office, 1408 Crenshaw Blvd., 320-4020. Areas served are Gardena, Harbor City, Hermosa Beach, Lawndale, Lomita, Manhattan Beach, Palos Verdes Estates, Redondo Beach, Rolling Hills and Rolling Hills Estates.
