School Chief Wins Tribute As Educator

Dr. J. H. Hull, superintendent of Torrance Unified School Distict since its formation 16 years ago, was honored with five other California educators Friday night when he was presented the American Educators Medal on behalf of the Freedoms Foundation at Valley Forge.

The six educators were guests of honor at an awards and tribute to education dinner at the Statler-Hilton in Los Angeles and received the awards from Don Belding, chairman and co-founder of the Free-doms Foundation.

JOINING DR. HULL in the select circle of educators were Ellis W. Evers, principal of a San Diego elementary school; Dr. Max Rafferty, superintendent of public instruction for the state; Dr. Gerald A. Smith, superintendent of JOINING DR. HULL in the for the state; Dr. Gerald A. S m it h, superintendent of Bloomington schools; Frank B. Thornton, principal of a San Diego junior high school; and Dr. C. C. Trillingham, Los Angeles County-school superintendent.

tendent.

Each year the Freedoms
Foundation honors outstanding
educators of the nation after
selection by an award jury
comprised of State Supreme
Court justices, and the national
heads of leading patriotic, veterans and service club organizations.

FRIDAY NIGHT'S program, attended by more than 1,000 persons, featured Dr. John C. Broger, director of armed forces information and education for the Department of Defense, as the principal speaker. He spoke on "The Challenge to Our Freedoms." Manager Wade Peebles will Torrance to the League of California Cities conference open-Our Freedoms."
