

WINS AWARD . . . John Motta, center, receives congratulatory handshake from Edward C. Marsh, right, Western Region deputy director for the Federal Aviation Agency on announcement of Motta's winning of the FAA Air Carrier Mechanic Safety award. An electro-mechanic with TWA, Motta lives at 4319 Artesia Blvd., with his wife and three children.

GOLFING TIPS . . . Shirley Chilton, president of the Palos Verdes Chamber of Commerce, keeps her head down as instructed by Pro Pat Chartrand as they get set for the opening of Rolling Hills Golf Club early in November. Owner-developer O. K. Tingle said grand opening of the course is being scheduled for January. The course is located near Narbonne Avenue and Palos Verdes Drive North.

Garden Checklist

1. Scatter snail pellets in flower beds this month to catch the new crop of snails before they get a chance to forage.
2. Plant cyclamen now for winter spring bloom.
3. New lawns should go in at the earliest. In some valley areas it may be too late for fall planting. Ask your nurseryman.
4. Plant bulbs. Not only the showier spring bloomers such as daffodils and tulips, but the little beauties like grape hyacinth and freesia.
5. Set out pansies, fairy primroses, calendulas and other winter blooming annuals now.

DOESN'T THAT TOP EVERYTHING

Try our nice new peach-syrup-topping: Drain 1 can (1 lb. 13 oz.) cling peach slices. Heat 1 cup maple-flavored syrup and 2-3 Tbsps. butter to a simmer. Add peach slices and heat. Great for waffles, pancakes, biscuits, ice cream, custard, husbands and kids.
