With poultry continuing to be one of the best buys available, both quality and price-wise, most home-makers look for new ways to serve this popular meat. Try it the wine-country-way this week, marinated in cream and sherry, then slowly sauteed in butter, with sliced, fresh mushrooms and a subtle sprinkling of herb. Make up our NAPA CHICKEN SAUTE and see how many family members insist, "Let's have THAT again, real soon!" Pick up your free copy today!
