

# Design Award Presented To New Horizons Project

An award for outstanding achievement in all-electric kitchen design has been presented to New Horizons-South Bay, one of the nation's first adult recreation and garden home communities.

The award, a bronze plaque, was presented to Ray A. Watt, New Horizons-South Bay builder-developer, by Robert A. McWhinney, district manager of Hotpoint, during recent opening ceremonies at the \$18 million Gold Medallion project on Sepulveda Boulevard in Torrance.

The electric kitchens include range and oven, dishwasher, dispenser, hood and Stanthony warming oven. In addition, the award cited New Horizons' use of electric radiant ceiling heating and hot water heating.

ALSO COMMENDED by Hotpoint were the employment of underground utilities and utilizations of a new concept in land planning and development in which complete residential and recreational living is provided by combining advantages of individual home ownership with maintenance-free benefits.

## Kickoff Lunch Today for March

A group of Torrance residents, headed by Mrs. Clara A. Conner, will attend a kickoff luncheon today at the Ambassador Hotel for the 1964 March of Dimes.

About 1,000 persons are expected to participate in the luncheon. Retired Sheriff Eugene W. Biscailuz will head the Los Angeles County March of Dimes.

of apartment living, according to McWhinney.

New Horizons, when completed, will contain 600 garden homes. Already open for display are the 10,000-square-foot clubhouse and recreation building; a nine-hole 3-par golf course; a putting green surrounded by a lake; swimming pool, shuffleboard, paddle tennis, ping pong, horseshoe and croquet facilities.

RESIDENCY, according to Bob Norton, sales director, is limited to families in which one spouse must be 35 years old or more or to single persons 35 years old or more. No children less than 18 may be permanent residents.

New Horizons garden homes, designed by Phil Blair, AIBD, include one bedroom and convertible den, two-bath; two bedroom deluxe, two-bath; and two bedroom and convertible den, two-bath plans ranging up to 1215 square feet. Prices range from \$19,995 to \$28,500.

Each home includes carpeting, Hotpoint all-electric kitchen, ceramic tile, ash cabinets, radiant ceiling heat, Pullman baths, sliding glass patio doors and fireplaces of driftwood, volcanic stone, slumpstone or Palos Verdes stone.

## THE CLUBHOUSE

and recreation building has an assembly hall with catering kitchen and serving bar; billiard room with two regulation tables; women's bridge rooms; men's card room; locker and shower facilities for golfers; a completely equipped photo laboratory; and equipped hobby rooms for ceramics, painting and sculpture. The recreation area also includes swimming pool, shuffleboard and paddle tennis courts.

# Goldwater Headquarters To Open Here Saturday

Opening of the headquarters will be followed by a special fund-raising dinner-dance at Eagles Hall, 128 S. Catalina Ave., Redondo Beach, beginning at 7 p.m. Proceeds from the event will be used to support the headquarters office.

Special guests at the dinner-dance will be Charles Crozier,

chairman of the Los Angeles County Young Republicans; Carl Wick, chairman of Californians for Goldwater in California; and Southwest civic leaders.

Hanson, former president and owner of Automated Metals Corp. with plants in several states, is now serving as a consultant to the company and is building homes in the Upland area. Hanson and his family are dedicated to propagating "the Gospel of

Jesus Christ and to make Him known wherever we go or whatever we do."

experiences as second man on the university's cross-country team. Charles, June, and Stan Opi will be presented in instrumental and vocal numbers, and a quartet will sing.
