

BONDED
for flavor and
tenderness

...WHAT IS BIG BEAR "BONDED" BEEF?

HERE IS WHY YOU GET
ONLY TOP QUALITY AT ...

Each Beef is individually selected from the top grades by our expert meat buyers. Our buyers are instructed to purchase only choice quality young beef. They reject carcasses that are extremely fat because excess fat means unnecessary waste and higher cost to you, the consumer. Big Bear Bonded Beef is delivered by refrigerated trucks to our individual stores where each carcass is again inspected, aged and cut to our exacting specifications. Our exclusive method of cutting and trimming, in which all excess fat and bone is removed before weighing, means MORE MEAT for your money! This selective buying and processing enables us to bring you finer meats at lower prices. Big Bear's Bond on every package insures top quality, flavor and tenderness with a money-back guarantee of complete satisfaction.
