Ner Tamid To Honor Passover

Congregation Ner Tamid will begin the celebration of Passover, the commemoration of Israel's exodus from Egypt more than 32 centuries ago, with Rabbi Bernard Wechsberg's sermon, "Growing Up with the Pesach Hagadah" the evening of April 5. During the last hour of religious school sessions on April 7, a model seder will be presented for the students. This is the very detailed and festive home observance in honor of Passover, scheduled this year for the evenings of April 8 and 9. "The Wise Men of B'nai B'rak are Giving a Lesson" will be the rabbi's message at a special Passover service the evening of April 12. In conclusion of the festival of Passover, Ner Tamid will hold a memorial service April 16, the final day of the holiday, at 8 a.m.

Optimists Celebrate April Fool

April Fool's Day set the theme of the Torrance Optimist Club meeting Monday evening. Ernest Dandoy, program chairman, had all members and their wives, guests for the evening, ushered onto a black-out bus, all windows were draped. Following the 20-minute ride and much speculation by the mystified Optimists, the bus stopped in front of the usual meeting place, The Palms Restaurant. The meeting was turned over to the wives, with Mrs. R. K. Petrat serving as chairman, and Mrs. Don McCalman, sergeant at arms. The meeting took a conventional turn when Steven Fischer, first place winner from South High School of the recently sponsored Optimist Club oratorical contest, was introduced as guest for the evening. New officers were elected also and are: Ernest Dandoy, president; C. M. Trezise, first vice president; Leonard Peterson, second vice president; Erwin Kasten, Roy Zhe, R. K. Petrat, Don McCalman and Lee Wilson, directors.

Bringing Up Baby.

HINTS COLLECTED BY MRS. DAN GERBER, MOTHER OF 5

Sometimes new mothers concentrate so hard on the technicalities of baby care they forget to enjoy their babies. Your delight in your baby is one of the great golden gifts you can give. The baby who is talked to (and laughed with) lovingly, develops security and sociability. The baby who is played with happily gains confidence early and learns invaluable lessons in co-operation.

Vitamin C availability. I know you mothers usually think in terms of orange juice for baby's vitamin C. But it should be reassuring to know that Gerber Strained Apple Juice and juice combinations are fortified to give your baby just as much of this important vitamin as Gerber Orange Juice. One can of any of the other eight Gerber Juices supplies over 100% of the recommended daily dietary allowance for vitamin C. 9 varieties in all including the new Mixed Fruit Juice and Prune-Orange.

Growth patterns. Your baby grows much faster the first year than the next few put together. That's why he needs protein aplenty to give that growth a boost. Gerber Strained Meats are high in protein, low in fat and ever so easy to digest. Points to remember:

- Gerber Meats are cooked by an exclusive process which preserves the utmost in nutritive values; insures a smooth moist texture.
- They're the products of two great specialists—Gerber, famous for fine baby foods and Armour, famous for fine meats. Gerber Baby Foods, Box 72, Fremont, Michigan.

Golden rules for baby care. By-the-book rules are fine as guides but
