DEAL! DEAL!! DEAL!!!

We're sick, sick, sick of hearing, seeing, sleeping, eating, dreaming, talking and making DEALS here at Poor Old

SUBURBAN DODGE

We'd like JUST ONE customer to walk in and say "I'll take a

'63 DART

for the figure on the Factory Suggested Price sticker... To us the three most wonderful words aren't "I Love You"... They're "I'll Take It". But you won't say them unless the price is something foolish like

\$1911⁸⁴

and you can drive away smiling for only

\$199 DOWN

and tell your wife how you beat poor old Duke Randall's Suburban Dodge monthly payments down to about

\$11⁹⁵ PER WEEK

Which is probably even less than you're been paying on that evil smelling, ill running old clunker you've been wanting to peddle somewhere for months—so

WE'LL DEAL REAL, REAL BIG!

We'll be sorry we did... and you'll be embarrassed over the way you beat Poor Old Duke Randall—maybe even a little sorry, but not enough to reconsider and pay the factory suggested price... and even though we'll not make one cent, we'll give you the factory's

5-YEAR - 50,000 MILE WARRANTY!

which is the greatest thing since peanut butter and jelly sandwiches.

So if you're half as smart as you tell your wife you are, you'll come on over (down or up) to Suburban Dodge... Bring a bicycle, or a motor boat... a used car, or money... any old thing to trade with... please don't offer to pay the full factory sticker price... just fuss and argue a little and we'll make the deal you want.
