### Christian Science Leader To Speak Here on Thursday

How spiritual awakening brings freedom will be the topic of a free public lecture to be given here Thursday, May 2, at 8 p.m. by Sylvia N. Poling of Phoenix, Ariz.

A Christian Science teacher and practitioner, Miss Poling is on extended tour as a member of The Christian Science Board of Lectureship. She will speak in the church edifice at 218th Street and Manuel Avenue under the auspices of First Church of Christ, Scientist, Torrance. Her subject will be "Christian Science Reveals the Door to Life More Abundant."

Miss Poling became interested in Christian Science as a college student. Active in public education for a number of years, she holds degrees from Arizona State University and has also studied at the University of California at Los Angeles and the University of Southern California. She resigned from the teaching profession in 1950 to devote her full time to the public practice of Christian Science healing.
