Torrance Teachers Launch Annual United Fund Drive

Torrance teachers launched their United Fund Drive this week with collections made at each of the elementary and high schools within the district.

The fund drive, under the leadership of the Torrance Education Assn., with Zen Patekas, teacher at Meadow Park and Bill Forrest, principal at Madrona, as co-chairmen, is an annual affair to collect monies for charitable organizations in the community and at the national level.

LAST YEAR, Torrance teachers contributed over \$8,000 to charities of their choice. Representatives of the United Fund Drive at each of the schools in the district contact the teachers to obtain a preference for charitable organizations the teachers wish to support. The desired goal for individual giving in the past has been roughly stated as "One Day's Pay the United Way."

Charities listed for teacher preference as to their local giving include American Field Service, TEA Welfare Fund, Community Chest, Dental Health and the YMCA.
