

Rabies Clinics Slated

Rabies vaccination clinics for Torrance pet owners will be held at Torrance Park June 28 and at McMasters Park July 11. The clinics are sponsored by the Veterinary Medical Assn., the Southern California Humane Society, and the City of Torrance.

Hours for the two clinics will be 7 to 8:30 p.m. and fees are \$1.50 per dog. Clinics are held each year near the license renewal date so that all pet owners may comply with state and local laws regarding rabies vaccinations.

Dog licenses must be purchased between July 1 and 31. The recent change in the license law replaced the 90-day penalty period with the 30-day penalty period.

License fees are \$3 in Torrance and will be increased by 50 per cent after the deadline. Licenses may be purchased by mail, or at the Humane Society animal shelter at 12910 Yukon Ave.

GOP Clubs Slate 4th Observance

United Peninsula Republican Clubs, Inc., will sponsor a non-partisan patriotic observance on July 4 at the Malaga Cove School in Palos Verdes Estates. The festivities will begin at 11 a.m.

The special Independence Day celebration will feature an educational and entertaining program. Guests from the state Legislature and the House of Representatives are expected. An old-fashioned family picnic is also planned.

Computer At Work For Bank

Pacific State Bank this week moved closer to fully automated bank operations by signing a contract with the Service Bureau Corp. for automatic accounting of its savings accounts.

R. C. Yeary, president of the bank, said cost and time savings on the automated equipment used on commercial accounts prompted the new contract. The Service Bureau Corp. contract marks the completion of the second of three steps.

The new computer program will post all entries on the accounts and compute interest on a daily basis. It will also prepare Form 1099, now required by the federal government.

The bank is now studying the third phase, conversion of loan transactions to computer accounting.
