Navy Plan For Grade Hike Told

Advancement of certain male officer candidates in pay grades has been authorized by the U. S. Navy, according to Jerry Delk, shipfitter first class, Navy recruiter for Torrance.

Male officer candidates and naval aviation officer candidates recruited from civilian status with no previous military service will be enlisted as petty officer second class while undergoing indoctrination training, the recruiter said.

Delk said this will lessen the hardship placed on married candidates who must support dependents during this period.

Information on the new program may be obtained at the office at 1520 Cravens Ave. in downtown Torrance or by phoning the recruiter at FAir-fax 0-3141.

Bowler Aide On Trail of Pornography

A special district attorney has been assigned by Chief Dist. Atty. Manley J. Bowler to combat pornography in Los Angeles County and the county's reputation as "the smut capital of the world."

Named to the new post was James J. Clancey, 41, deputy city attorney of Burbank. Clancey's assignment will be "exclusively the investigation, preparation and prosecution of pornography cases" in the county, Bowler said.

"Los Angeles County has the reputation," Bowler said, "of being the smut capital of the world. This is a disgrace to our community."

In addition, he added, "there is no question that pornography is an instrument of delinquency and is an insidious threat to the moral and mental health of the youth of the community."

"To curtail this menace," Bowler said, "is a real challenge as court decisions in recent years and the lack of effective legislation protects pornography."

Clancey is a graduate of the U. S. Naval Academy at Annapolis.
