**Harvey Aluminum Check Paces Red Cross Drive**

A generous check from Harvey Aluminum launched the commerce and industry phase of the 1964 Red Cross fund campaign in Torrance. Dick Miller of Alter Realty,

volunteer chairman, said the check was presented prior to the official kick-off of the March drive and represents a substantial sum of the \$2,600 set for this phase of the local campaign.

The crack team of solicitors making up Miller's volunteer crew who will be personally contacting Torrance industries include representatives of nine local firms.

They are: John A. Tweedy, Southwest Savings and Loan; A.E. Anderson, Sam Thompson and Brian Bell, all of Hi-Shear; George Draper, Pacific Smelting; Don Hanson, Crocker Citizens Bank; Dale Zeimer, United California Bank; Dwayne Clark, First Western Bank; Bob Wicks, Bank of America's Sepulveda-Hawthorne branch; Joe Burley and J. R. Sullivan of National Supply, and George Gower, Security First National Bank.

Chairman Miller is optimistic about the success of the drive among industries and hopes to match the production of the 1963 campaign led by Keith Pischell which netted 106 per cent of the \$2,600 quota.

**'Substance' Science Topic Next Sunday**

"Spiritual Substance" will be the subject at all Christian Science church services Sunday. Responsive reading will include this passage from II Corinthians (4:18): "We look not at the things which are seen, but at the things which are not seen: for the things which are seen are temporal; but the things which are not seen are eternal."

Related readings from "Science and Health with Key to the Scriptures" by Mary Baker Eddy will include the following: "As God is substance and man is the divine image and likeness, man should wish for, and in reality has, only the substance of good, the substance of Spirit, not matter." (p. 301).

Abraham Lincoln paid 37 1/2 glasses for his first pair of eyeglasses which he bought in 1856.
