First Lutheran Begins New Education Building

Groundbreaking ceremonies for the new education building at First Lutheran Church will be held Sunday at the close of the 10:45 a.m. worship services.

The congregation will participate in the ceremonies, to be headed by the Rev. William J. Roleder, pastor of the church. Others who will participate include the Rev. Phillip C. Hiller, associate pastor; Stanley LeBon, president of the congregation; and Tom Richardson, chairman of the building committee, and Richard Miller, chairman of the Day School Board.

Band Sets Car Wash

The Torrance Area Youth Band has scheduled a fund-raising car wash for Saturday at the Mira Costa High School parking lot. Senior members of the band will wash cars between 10 a.m. and 4 p.m. Donations of 75 cents is being suggested.

The band has been invited to perform at the New York World's Fair and is raising funds for the trip this summer.

Construction will begin Monday. E. Voge has been named general contractor for the structure. Nine classrooms will be included in the split-level building.

Plans for the building were first announced in 1961, and a successful campaign for funds begun last year has permitted the church to proceed with the building.

William C. Cobb, fireman, USCG, son of Mr. and Mrs. William E. Cobb of 22909 Double Ave., graduated March 6 from Damage Control School at the Coast Guard Training Station, Groton, Conn.

Candidates

(Continued from Page 1)

The candidates will appear at a "Meet the Candidates" meeting sponsored by the League of Women Voters at the Torrance Recreation Center. Mrs. Irving Boxer, chairman of the voter service committee, said the meeting will begin at 8 p.m. Candidates will be allowed equal time for a short statement, and remain for a question-and-answer period.

One week from tonight, all candidates are scheduled for an appearance before the Elwood Homeowners Assn. The meeting will be held at Newton Elementary School. Questionnaires compiled by the League of Women Voters will be available at the League's meeting next week. Copies are now in local libraries, banks, and some markets. The questionnaire contains candidates' answers to questions on problems now facing the city and is being distributed without charge.
