Tartar Teen Talk

By Carol White

Spring vacation is over and Tartars are back on campus showing off the suntans from many vacation spots. Students still find it hard, however, to get out of their vacation habits and get back into the swing of things on campus.

Student council is in high gear, and plans are being made for next year's activities. The council seems to be facing a crisis right now — precipitated by the boys on campus. It seems the boys want the prom, the Christmas dance, and the homecoming dance to be backwards dances.

They claim they've been paying for centuries and need a change (or some change?). The anti-payer group, headed by Mark Hart, ASB president, is a decided minority on council, so it seems they'll have to give up.

TORRANCE HIGH won its first league track meet against El Segundo. The final score was 64-53, with Pat Lewandowski and Mike Thomas taking player-of-the-week honors. Pat showed his talent in the relay, the 220, and century dash, as well as the 120-yard high hurdles. He took a first, second, and third. Mike, a freshman, won the mile in 4:43.1.

The cindermen will host Lawndale tomorrow at 3 p.m. Our undefeated tennis team will host Lawndale this afternoon at 3. The baseball team travels to Lawndale and a 3 p.m. game.

SENIORS ARE NOW anticipating the reincarnation of the Senior Patio at THS and are very enthusiastic about it. A new fountain head will crown the tile pond, due to the generosity of the student body. For a change of scenery, the landscaping architect will begin work soon.

A new trophy case has been installed in the Student Activities Office to hold all non-athletic trophies which the Tartars have won.

A recent survey of THS students found more than 80 per cent of those voting in favor of the traditional ring at Torrance High.

Thought for the day: Smile, there are only 50 more school days left!

See you next week . . .
