

WHAT GOES UP . . . Fred Hansen (left), president of the Torrance Civitan Club, and Ted Walker, breakfast committee member, flip a pancake into the air to call attention to Sunday's annual Civitan Pancake Breakfast at the Torrance Scout Center. Breakfast will include orange juice, pancakes, sausages, milk or coffee, and will be served from 7 a.m. until 1:30 p.m. Proceeds will be used to finance Scout Center activities and other Civitan-sponsored charities. Tartar Teen Talk

By Carol White

This week has been a kind of backwards week at Torrance High. Instead of the girls making sure their hair is in place and their clothes in perfect condition, the tables are turned and it's the boys who are concerned.

The reason is simple: the Girls' League dance is slated for tomorrow night, and since it's backwards, the girls must ask the boys out. The dance will be held from 8 to 11:30. A band and plenty of records will supply the music to the theme of "Hawaiian Holiday." Miss Shirley Johns will supply some special entertainment.

Girls' League is busy with other projects, too. A Casual Day is planned for May 15. It will be a day when the guys can show off their legs and the gals can put on their latest spring outfits. The Girls' League also is planning a Recognition Day to recognize outstanding senior girls. An out-

standing girl will be selected from each class.

CONGRATULATIONS go to Gary Brugman, David Day, Diane Geruc, Bonnie Hagan, Catherine Turner, William Waterman, and Susan Welsh. All have been named semi-finalists in the State Scholarship Commission competition. They were selected on the basis of their scores on the Scholastic Aptitude Tests.

The past week was an unsuccessful one for the Tartar athletic teams. Our baseball team was defeated by Lawndale 5-4. The Tartars were ahead until the fifth inning when Lawndale cut loose with seven hits and four runs.

Today, the baseball team travels to West High for a game at 3 p.m. against the Warriors.

OUR TRACK team also had a streak of bad luck and was turned away by the Aviation

School Gets Television Set

Members of the Yukon PTA presented a microscope and television set to the Torrance Unified School District this week.

Trustees of the district accepted the gifts and expressed appreciation for them.

Falcons. First places for Torrance were won by Mike Hatter in the 120 yard high hurdles, Ed Watson, long jump, and Larry Parker, 880. The cindermen travel to Inglewood for the Inglewood Relays tomorrow at 7 p.m.

The tennis team, however, is doing very well. The team is undefeated so far, and hosts the West High Warriors at 3 p.m. today.

The THS art department is very busy these days preparing for the April 17 exhibition on campus. A board of critics will tour the show prior to public opening and make the critic's awards. A Critics Choice Medalion will be awarded to the outstanding work in oil, watercolor, and mixed media. See you next week . . .

Course Slated For Expectant Mothers Here

The Los Angeles County Health Department will sponsor a course for expectant mothers at the Torrance Health Center, 2300 W. Carson St., beginning April 13, according to Dr. E. W. Kendrick, district health officer.

The seven-session class will include motion pictures of normal birth, baby bath demonstrations, formula preparation, and lectures by a registered nurse.

The two-hour classes will be held on consecutive Monday afternoons at 1:30 p.m. Additional information and reservations are available at the county office, FA 8-3310.

Music is a prophecy of what life is to be; the rainbow of promise translated out of seeing into hearing. — Lydia M. Child.

North High Student Wins Top Essay Contest Award

Mary Fouquette of North High School has been named grand winner of the Torrance Beautiful Commission essay contest. Miss Fouquette also received a trophy for winning the North High section of the contest. The school will keep the sweepstakes trophy for the coming year.

Other trophy winners in the essay competition were Geri Lynn Fassenfelt of South High, Douglas Grandpre of West High, and David Kinnaman of Torrance High.

Honorable mention was won by Sue Oldt and Bob Hiromoto of North High, Joe Lawrence

and Debbie Miller of South High, Jim Ellis and Ronald Gordon of West High, and Rosalie Preston and Peggy Ackerman of Torrance High.

All students wrote on the subject, "How Can Beauty be Preserved by a Growing City?"

Forum Must Pay School Rental Fee

A request for a waiver of fees submitted by South Bay Forum, Inc., has been denied by the Board of Education.

South Bay Forum will use the North High cafeteria for five programs being offered in the "Exploration Controversy" series.

Board members voted to require payment of fees because the organization is charging admission to the series.

Club Sets Auction

An auction will be held at the Torrance Stamp Club meeting April 13, which will be held in the Scott Park Community Building, 23410 Catskill Ave., Wilmington. Further information is available at TE 4-6718.
