What is the most important problem facing the Torrance City Council?

To establish new proc in solving the many problems of this fast-growing city. To prevent the return of the con-ditions that fostered and nurtured the "mess" in which the City Government finds itself. What do you feel you can contribute toward the solution of this problem? (1) Establish a policy of

Cabrillo Savings continues to move ahead by bigger than million-dollar strides, accord-ing to the latest financial re-port from the local savings and loan association.

Assets are now listed at \$13,217,455—over a million dollars above the total at the end of 1963.

Pietro Di Carlo, president and board chairman of Cabriland board chairman of cabri-lo Savings, reports that the rate of growth has been accel-erated since the association ex-panded into its new headquar-ters building on the southwest corner of Pacific Coast High-way at Crenshaw Boulevard. Cabrillo's board of directors

Cabrillo's board of directors has voted to pay interest at the annual rate of 4.85 per cent for the quarter beginning April 1st. Fred Strohmenger, executive vice-president, an-nounced that the "bonus inter-est" policy will be continued, and all funds in an account at the end of a quarter will be credited with interest from the date deposited. In addition. date deposited. In addition, funds received by the 10th of any month will earn interest from the 1st.
