The "53 Minute March" will serve a two-fold purpose. It is not only instrumental in rais-ing funds, but helps the pub-lic to understand cerebral palsy, which afficits a newborn baby every 53 minutes. There are more than 17,000 cerebral palsied in Los Angeles County. The \$350,000 goal is a min-imum amount of funds needed to maintain the 12 agencies of the United Cerebral Palsy Assn., headquartered at 1726 W. Pico Blvd., Los Angeles.

Miss Brooks' "Our Miss Brooks," a musi-

cal comedy based on the television series of the same name will be presented by the North will be presented by the North High Music Department to-night, Friday and Saturday. Tickets for the production, which stars Kristine Whitley as the scatter-brained English teacher, are \$1 for high school students and adults, and 50 cents for elementary students. Daniel Walker will direct the production, which he de-scribes as "a great story." Other members of the cast

Scribes as "a great story." Other members of the cast are Paul Stilwell, Carol Tier-ney, Barbara Bareford, Mi-chael Dominguez, Harvey Co-hen, Yvonne Coletti, M a ry Jonas, Tecia Lewis, Larry Kap-pen, Carole Lewis, and Millie McCarty.

Also in the production are Debbie Jonas, Bonnie Biffle, Melody Pisil, Michael New-man, Elaine Matza, James Melody Pisil, Michael New-man, Elaine Matza, James Dercy, Kathi Dittmar, and Beverly Hotchkins.

Curtain time for all three performances is 8 p.m.

Assessor Asks for Tax Memo

County Assessor Phil Watson has asked the attorney generhas asked the attorney gener-al's office to issue a current opinion in order to clarify the methods of determining eligi-bility for veteran's exemptions. Watson wants to know whether the assessors should use market value or assessed valu-ation in computing the assets of a veteran to judge his qual-ification for the exemption.

The Los Angeles assessor called the present system "in-consistent and confusing." It is based on four opinions issued between 1912 and 1936.

Watson's office handles more than 40 per cent of all veteran claims in the state. Some 31,000 of the 150,000 claims already filed are incomplete, reports

Watson. The incomplete claims are being held in room 225 at the Hall of Administration and veterans are being notified they must appear in person to complete the forms. State law prohibits the assessor from re-turning incomplete forms.

Music teaches us two vir-tues greatly needed today ... discipline in preparation, imag-ination in performing. — Dr. Rudolph Ganz.

Saxons Will Sea Barrier Unit Contract Awarded to Glendale Firm

Agreement

wavs

A contract for the construc-tion of Unit 4 of the west basin ing the contract. sea barrier was awarded this week to Weeshoff Construc-tion Co. of Glendale. The Board of Supervisors accepted

ty engineer. Work on the project, which involves the installation of a 1.75-mile section of water sup-

1.75-mile section of water sup-ply pipeline through sections of Redondo Beach, Torrance, and county territory, will be-gir within two or three weeks. The pipeline will run in Prospect Avenue on the west-ern edge of the city south to Pacific Coast Highway from Torrance Boulevard. The line will then run east on Pacific Coast Highway to Paseo de Gracia and south to Via Los Altos. A two-way agreement to pro-tect the San Diego Freeway bridge over Dominguez Chan-nel in Torrance during con-struction of the watercourse has been approved, according to Supervisor Kenneth Hahn, Parties to the next are the Altos.

The project is being super-vised by the County Flood Con-trol District. Parties to the pact are the County Flood Control District and the State Division of High-

Smith Will Hahn said it provides for the state to pay the district \$12, 000 for the protective work which will include construction of collars around the piles of To Institute **To Institute**

Minch will include construction of collars around the piles of the bridge. The freeway's crossing of the channel is located west of Wilmington Avenue. A \$3.4 million contract for improving Dominguez Channel from Wilmington Avenue to Avalon Boulevard is now in progress, Hahn said. It was awarded to Guy F. Atkinson Co. of Long Beach by the Board of Supervisors last July 30. The channel contract is due for completion late in 1965. Frank M. Smith, a senior in electrical engineering at New Mexico State University, has been invited to enter the paper competition of the Southwest-ern Regional Institute of Elec-trical and Electronic Engi-neers The group will meet in neers. The group will meet in Dallas, Texas, April 21. Smith will present a paper on "Electrical Analogues of Acoustical Systems." The paper won first place in compe-tition at the university.

DEDICATE CENTER . . . Representatives of the Joslyn Foundation and civic officials participated in formal dedication ceremonies last Saturday afternaon for the Joslyn Recrea-tion Center. The center, named for industrialist Marcellus Joslyn, who donated 50 per cent of the funds for the structure, will eventually become a center for adult social life. Shown here in front of the new building are Bernard Dougan, vice chairman of the city's Parks and Recreation Commission; Weldon Fulton, architect for the center; Mrs. Mary Currivan, a trustee of the Joslyn Foundation, and her husband, Edward, with Mayor Albert Isen.
