

Tartar Teen Talk

By Carol White

The Tartar Knights at Torrance High have been very busy this week preparing for their annual T.K. Sports Night. Dancing, ping pong, checkers, chess, basketball, and gymnastics are just a few of the events which will be offered. The activities get under way in the boys' gym at 7 p.m. tomorrow.

Admission is only 25 cents per person, and the dress is casual — with no street shoes allowed on the gym floor. It will be a night to remember for those Tartars who attend.

Congratulations are in order for Mrs. Jaeger and her advanced art classes for their fine arts show. Critic's choice Medallions went to Diane Grippi for oils, Larry Champion for watercolor, and Roberta Myers for mixed media. The exhibit will be on display for the next two weeks in the second floor of the Student Services Building.

CONGRATULATIONS also are in order for Mike Hatter

and Ric Adams for being selected Players-of-the-Week. Hatter was selected for his performance in Friday's track meet against Lennox High. He clipped two first places in high and low hurdles. Adams was chosen for his undefeated record in the Pioneer League tennis chase.

Tomorrow at 3 o'clock, the Tartar cindermen will meet West High. The meet is slated for the T.H.S. oval. Torrance is tied for second in Pioneer League standings with West and El Segundo.

The varsity baseballers will host Lennox today at 3 o'clock. The junior varsity, now in first place in the league, will travel to Lennox for a 3 p.m. game.

THE TENNIS TEAM also travels to Lennox to defend their second place standing. Preparations are now being made for the annual sports night Awards Banquet. All lettermen will receive special recognition and awards. The banquet will be held May 21 in the school cafeteria.

Plans for the election of officers for next fall are now being made. Applications are out now, and candidates should hurry to get them back to the activities office.

Torrance High will go into the candy business in early May. It will be an off-campus sale, with the money going for drill team uniforms. See you next week . . .

Thrifty Drugs Presents Check for Scholarships

A check for three scholarships in the School of Pharmacy was presented to the University of Southern California this week by Thrifty Drug Stores.

Dr. Alvah G. Hall, dean of the school, accepted the check from Manny Broun, vice president of Thrifty Drug Stores. The check will provide three

scholarships for the 1964-65 academic year. This is the 10th consecutive year in which Thrifty Drug Stores have presented the scholarships. Selection of the recipients will be made by Dr. Hall and a committee.

In presenting the checks, Broun said the gift was made "to encourage interest among outstanding young men and women to follow the profession of pharmacy and fill the continually expanding needs created by the unparalleled growth of the community."

SCHOLARSHIPS . . . Dr. Alvah G. Hall (right), dean of the school of pharmacy at the University of Southern California, accepts a check covering the cost of three scholarships at the school from Manny Broun, vice president of Thrifty Drug Stores. The presentation marked the 10th year in which the drug chain has sponsored the scholarships.

Hospital Exec Accepts Post

Robert E. Ernst, assistant administrator at South Bay Hospital, has accepted the position of chief administrator at Antelope Valley Hospital, Lancaster, effective May 1. Ernst, 31, joined the local hospital in September 1962. Prior to that he worked two years as business office manager at Bethesda Lutheran Hospital, St. Paul, Minn. He and his wife, Marcia, and son, Russell, 2, live here at 138 Via Alameda.

How many ways does exercise help your child?

We're all aware of the more obvious benefits of exercise—to develop strength, skill, agility. But exercise has other important benefits. For instance, it is good for the heart and blood vessels. Indeed, daily, vigorous activity may be the most important factor in preventing or delaying heart disease. Moreover, the better a youngster's physical condition, the more likely he is to do well in his studies. And the physically fit boy or girl certainly measures up to challenging or competitive situations with a sureness that the under-developed child often lacks. Don't you agree that your child should have both the immediate and the long-range benefits of exercise? Won't you see to it that his school has a daily program that can improve every child's fitness? For more information, send for the free leaflet offered by the President's Council on Physical Fitness, Washington 25, D. C.

Published as a public service in cooperation with The Advertising Council.
