**ALLSTATE Nationwide
Passenger Tire Guarantee**

Every ALLSTATE tire is guaranteed against all failures from road hazards or defects for the life of the original tread. If tire fails we will — at our option — repair it without cost; or in exchange for the tire we will replace it charging only for tread worn (charge will be pro-rata share of exchange price).

We guarantee tread life for the number of months designed. If tread wears out within this period return it. In exchange we will replace it charging the current exchange price less a set dollar allowance.

*Exchange Price is regular retail price plus Federal Excise Tax less trade-in at time of return.
