

## Vel's Opens All-Woman Sales Lot

Marking a first in the used car and car leasing business, Vel's Ford opened its first all girl used car and car leasing lot at the corner of Pacific

Coast Highway and Hawthorne Avenue Friday. Under the management of Mrs. Lolita Packard, a total of 10 girls will staff the lot, which has been named "Lolita's Lot" in honor of Mrs. Packard.

The May 1 ribbon-cutting was marked with a May Pole and the distribution of May baskets full-to-bursting with colorful, fresh fruit.

"I THINK we can perform a genuine service for women," Mrs. Packard observed. "We know that most working women and widows can not often afford a new car, but their mechanical knowledge is limited and they are often uneasy about the average used car lot. Vel's Belles aren't mechanical geniuses, but they're selling cars they know are mechanically perfect," she added.

Vel Milletich, who with Ben Kazarian Jr owned Vel's Ford Sales Co., is the originator of the idea. Vel's Belles will operate the lot—known officially as Vel-Co Car Sales and Leasing—without the aid of men.

EACH OF the ten sales-

women has been given sales training which includes thorough instruction in insurance, credit, and law as it applies to motor vehicles.

The saleswomen are: Lynn Clark, Marguerite Schochley, Leslie Furman, Mary Lou Brown, Alberta Leone, Ida Lloyd, and Ruth Wada.

MRS. LOLITA PACKARD

## Volunteer Leader Workshop Schedules Final Sessions

"Fun with Games," the final session of the 1963-64 volunteer leaders workshop, will be presented at the Torrance Recreation center May 20 at 9 a.m. The session is open to volunteer leaders of non-profit organizations and provisional recreation leaders.

The training sessions are sponsored by the Torrance Recreation Department and

the Los Angeles County Parks and Recreation Department.

Leaders who plan to attend the session should wear appropriate clothing. Tennis shoes, full skirts, slacks, or capris are required. A 50-cent fee is required for registration.

## Pep Squad Tests Set

Preliminary tryouts for the 1964-65 El Camino College pep squad will be held again tomorrow.

Final auditions will take place May 13. Positions are open for six song queens and six yell leaders.

Candidates must perform at least one El Camino yell and one of their own choosing.

James J. Gualtieri, pep squad adviser, along with the commissioner of rallies, head song queen, head yell leader, lead flag girl and a student representative of the band will judge the competition.

## 'True Security' Unity Message

"True Security" will be the subject of Emma M. Muffley, minister of the Unity Church of Christianity, today.

Services held at 3855 W. 242nd St., will begin at 10:45 a.m. Children's classes are at the same hour.

Other church services are held at Church House, 2256 Torrance Blvd. These include the Women of Unity meeting on the first and third Tuesdays of each month at 11 a.m.

## New Dental Office Opens In Downtown Torrance

Dr. Campbell in Convenient Ground Floor Location

### Office Moved To Serve Better

Dr. A. G. dilorio, who is in charge of the new Dr. Campbell office, has long felt the need to be in a central location "We can now serve more patients better than when we were in San Pedro," Dr. dilorio said.

Dr. F. E. Campbell has operated a group of dental offices in Southern California for over 20 years. They are located from Santa Barbara on the north to Santa Ana on the south.

Starting in downtown Los Angeles over 30 years ago, Dr. Campbell had patients traveling long distances for his services. He decided to establish additional offices in conveniently spaced locations. "Moving my San Pedro office to downtown Torrance carries on this policy," Dr. Campbell said.

### TRANSLUCENT DENTURES

## SPECIAL OFFER ON ASBESTEX THE MODERN MIRACLE COATING FOR YOUR HOME 10 YEAR FACTORY GUARANTEE

Is 10 to 15 times thicker than ordinary paint. It is made from asbestos, mica, perlite and titanium, indestructible materials that have resisted the wear of centuries. Fused onto your sidewalls by concentrated air pressure, it penetrates cracks and holes and becomes bonded to the sidewalls. Asbestos is waterproof and weatherproof and its insulating protection keeps your home cooler in the summer and warmer in winter. It eliminates the necessity of repeated exterior paint jobs. Over 1,500,000 successful applications from coast to coast prove Asbestex is a wise investment.
