North High GAF Skit Wins Office

North High School was elected to serve as 1964-65 treasurer for the Girls' Athletic Federation at the organization's recent San Diego convention. More than 130 schools were represented, according to Miss Carolyn Filling, GAF sponsor at North.

Attending the meeting were Vicki Ropp, Barbara Alexander, Vicky Mongar and Shirley Hayakawa. The North High students presented a campaign skit which brought North in the victor with three other area school competing.

Tartar Teen Talk

By Carol White

Every morning here at Torrance High at 8:35 in Room 121, Mr. Stannard, the Senior Government teacher, looks solemnly at the class and puts a number on the board. Today the number written is 31. That number, however, means a great deal to all of his senior students. That number stands for the number of days the seniors have until graduation night.

The Girls' League is very busy nowadays with their planning for May activities. To begin the month the Girls' League will present a Recognition Day. The senior attraction will be the girl voted as "Girl of the Year." There will also be a Miss selected from each class.

Later in the month the Girls' League will sponsor a Casual Day. This will be the day when the girls can show off their newest spring outfit and the boys can show off their legs. It will be a day of fun for all.

CONGRATULATIONS to the ten seniors whose names have been selected for Who's Who Among Students in America's High Schools. They were selected on the basis of leadership, scholarship, service in school as well as in the community, and extra curricular activities. The seniors are Marc Billigmeier, Bonnie Hagan, Mark Hart, Diane McCreedy, Sharon McMullen, Ann Robinson, Willie Sullivan, William Waterman, Susan Welsh, and Judy Smenner.

Elections are coming up here at Torrance High. Applications are now available in the activities office. Posters will soon be covering the campus and campaigns will begin.

Larry Snyder was named player-of-the-week last week for his fine performance in the Lennox game. Larry made the winning hit for the Tartars last Tuesday against Lawndale.

OUR JV BASEBALL team seems to be having better luck than that of our Varsity team. The JVs still hold their first place position.

Friday is the evening juniors and seniors are waiting for. That is the day of the Junior-Senior Prom. It will be held this year at the Long Beach Elks Lodge. Music will be furnished by George Anderson and orchestra. The theme this year will be Shangri-La. The Prom Court will be announced at the Prom.

All-in-all, May is a breathless month.

See you next week . . .

Garden Checklist

- Now that the danger of frost is over, plant your citrus and other evergreen fruit trees such as avocados.
- For culinary delights buy your favorite cooking herbs in pots and set them out near the kitchen or barbecue area.
- Give fuchsias a generous feeding and pinch back the new shoots for additional strength and fullness later.
- While the late blooming rhododendrons are still showing their colors, shop, choose and plant them now.
- Make sure that newly planted lawn gets a light spraying several times a day if you want it to be luxuriant this summer. Regular watering is a must this month.
