

*Why
haven't you
told me
about
Great Lakes
Carbon Corporation
before, sir?*

DESIGN / BRYAN HARDWICK ASSOCIATES / PALOS VERDES ESTATES

I ONLY JUST FOUND OUT MYSELF.

HOW WAS I TO KNOW THAT THE DICALITE DEPARTMENT OF GREAT LAKES CARBON PRODUCES FILTER AIDS AND FILLERS USED IN THE MANUFACTURE OF THINGS LIKE COSMETICS, VITAMINS, FOOD, RUBBER BALLS, WAXES, LIQUOR, WINDOW CLEANERS, PAINT, PAPER AND MOTOR OIL.

Of course I KNEW THAT THE PALOS VERDES STONE DEPARTMENT OF GREAT LAKES CARBON HAD SOMETHING TO DO WITH PALOS VERDES STONE, BUT HONESTLY I NEVER KNEW THAT THE GREAT LAKES PROPERTY INVESTMENT DEPARTMENT WAS ONE OF THE LARGEST LAND INVESTORS IN SOUTHERN CALIFORNIA, WITH THEIR RANCHO PALOS VERDES CORPORATION AND GREAT LAKES PROPERTIES, INC. DEVELOPMENTS.

Besides, IF YOU WERE SO INTERESTED YOU COULD HAVE FOUND OUT YOURSELF BY VISITING THE NEW GREAT LAKES CARBON OFFICE AND LABORATORY IN TORRANCE AT 3435 LOMITA BOULEVARD."
