

Carson Girl Wins Grant For Summer

Sondra Tamasy, daughter of Rev. and Mrs. Frank Tamasy, of 22325 S. Main St., has been granted a National Science Foundation grant to study math at the University of Oklahoma this summer.

Miss Tamasy is a 15-year-old junior at Carson High School. She will study computers and mathematics at the University of Oklahoma.

Active on campus, Miss Tamasy is president of the Latin Club, president of Mu Alpha Theta, and historian of the Chemistry Club. She also is a member of the Girls Athletic Assn., Las Madras, and the California Scholarship Federation.

Miss Tamasy plans to attend the University of California at Berkeley, where she will major in biochemistry.

Volunteers Sought for Preschoolers

Volunteers who enjoy working with preschool children and who have had two years of college are being offered an interesting opportunity for the summer by the Volunteer Bureau of the South Bay Area.

An enrichment program for developing vocabulary and manual skills is being organized for children who have not been able to communicate with their teachers and as a result get a bad start at school.

Information about the program may be obtained from Peggy Cooper at the Volunteer Bureau office at 1427 S. Pacific Ave., San Pedro. The office is open on Monday, Wednesday and Friday mornings from 9 a.m. until noon.

Las Vegas Night Fete On Saturday

Parents of Little Leaguers playing in the North Torrance (West) loop will hold a fund-raising "Las Vegas Night" Saturday beginning at 9 p.m. at the Gardena Knights of Columbus hall, 106th Street and Berendo Ave.

The Women's Auxiliary of the league will be official sponsors for the event, according to Pat Ayer, ways and means chairman of the group.

Highlight of the evening will be the selection of a couple to spend two nights at the Hacienda in Las Vegas, along with plane passage to the desert city.

Area Scribes Wins Awards

Two El Camino College students have won awards in the annual University of Southern California Newspaper Day at the School of Journalism. A third award was presented to a Harbor College student.

Neil Bechinsky, of El Camino College, won third place in the editorial best-of-the-year contest, while Danny Bearden won the second place award in news picture competition.

Van Barbieri, a Harbor College scribe, won second place in sports.

Doctors quit smoking

CHICAGO—According to a University of Chicago National Opinion Research Center survey, 52% of American doctors do not smoke. Many quit recently due, according to the Anti-Tobacco Center of America, to the conclusive evidence linking cigarettes and lung cancer.

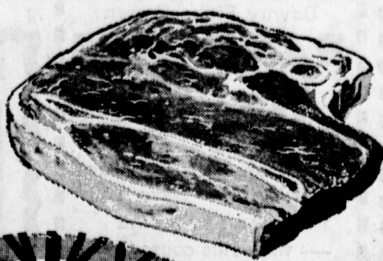

Many doctors gave up smoking without use of will power thanks to a new tablet which helps to progressively eliminate the need for nicotine and, as a result, the desire to smoke. Thanks to this tablet, 88,648 heavy smokers have already stopped smoking.

Smokers interested in receiving information (free) about this new tablet are invited to contact directly the Anti-Tobacco Center of America, Dept. 770, 368 Fifth Avenue, New York 1, New York.

It is sufficient to send your name and address. Just a post-card will do.
