

Tartar Teen Talk

By Carol White

Prom night was a night that most juniors and seniors will always remember at Torrance High. The highlight of the evening was the coronation of the Prom king and queen. Sharon McMullen and David Day were the chosen ones.

Other members of the prom court were Linda Potter and Jeff Carpenter, Bonnie Hag-an and Robert Romero, and Pat Adams and Willie Sullivan. I know the class of '64 gives many thanks to the junior class for a most memorable evening.

Another happy event the same night was the second place standing of the Tartars in the Pioneer League track finals. Medals were won by John Grim for the 100 and the long jump, Leard for the 220, Mike Hatter for the low hurdles, Larry Parker for the 880, and Robert Romero for the long jump. Pat Lewandowski, Larry Parker, John Grim, and Tom Meadows got a medal for the 880 relay, too.

MAY IS THE month for banquets at Torrance High. The Fine Arts banquet started the round. It was held in the main cafeteria and was attended by most of the fine arts students. Awards for outstanding work were given to Cathy Clutter in art, Judy Allen in drama, Marc Billigmeier in music, Charlotte Dickson in music, and Carolyn Jensen for annual staff.

Awards also were presented to Ann Robinson for journalism and Judy Osborn in speech. Others honored at the banquet included Robert Webb, Barbara Sheeley, Richard Tiernan, Mike Hubbert, Bob Lucas, Carl Strouse, Rone Yates, Dora Wahl, Betsy Foster, and Connie Eggleston. Another important banquet is on the calendar for next Thursday. It is the Sports Award Banquet, which will be held in the cafeteria. Jordan Olivar, formerly of Loyola and

Yale University, will be the speaker.

THE TRADITIONAL blanket awards and special honors will be given to Tartar athletes at the end of the banquet.

Last but not least, is the annual GAA Mother-Daughter Banquet. Girls with sportsman credits will get their awards and the 1964-65 pep squad will receive their honors.

The annual Spring Concert will be held Tuesday evening in the auditorium. Music will be played by the school band, and the Tartar Choir, and the Girls' Glee Club will perform. Admission to the concert is free.

THE CANDY is out and THS Tartars are busy knocking on doors trying to get all the support they can. Proceeds from the sale will be used to pay for Drill Team uniforms for next year. Classes and clubs on campus are engaged in a contest to see which one can sell the most. The bars are 50 cents, so buy all you can.

Seniors are beginning to get more excited each day. They have received their announcements and are impatiently awaiting Senior Day—May 29.

Congratulations to player-of-the-week honors goes to Mike Blankenship for his fine performance on the baseball team.

See you next week . . .

Music and Theatre Arts departments as their spring musical which opened Friday and will run through 21, with the exception of today.

Church Begins Sermon Series

"The Meaning of Christ for You" will be the theme of a series of sermons to be delivered at the Torrance Church of Christ, 3520 Emerald St., beginning today and continuing through Friday.

Speaker will be the Rev. Gordon Teel, minister of the Vermont Avenue Church of Christ in Los Angeles.

Services will be each week evening at 7:30. Today's services will be held at 10:45 a.m. and 6 p.m., according to Dr. Donald H. McGaughey, pastor. The public is welcome.

Delegates Named for Convention

Tom Green and Jill O'Hara have been selected to represent Bishop Montgomery High School this summer at the Boys' and Girls' State sessions. Greene, a drama and pep club member, will leave June 19 for the State Fairgrounds in Sacramento, site of this year's Boys' State. He is sponsored by the South Bay Post 184 of the American Legion.

Miss O'Hara, sponsored by the American Legion Auxiliary, will attend sessions June 22 through 30 at the University of California at Davis. She is vice president-elect of the BMHS student body, a member of the California Scholarship Federation, and a songleader.

Alternate delegates are Phil Watson and Suzanne Owens. All four students are juniors.

The gentle satire on old fashioned operettas, such as the ones that starred Jeannette McDonald and Nelson Eddy, features Kathy Ehlers of Rolling Hills as the tender, eye-batting, Little Mary who operates an inn in the Rocky Mountains.

Other cast members are: Bob Bailliff, as the brave forest-ranger captain; Joe Rojas, the "good" Indian; Mike Yelovich, the "bad" Indian; Michelle L'Esperance of Palos Verdes, Nancy Twinkle; Agatha Reardon of Palos Verdes, an operative diva; as well as the young ladies of the finishing school and the brawny chorus of forest rangers.

This singing and dancing chorus accompanying the indomitable Little Mary on perfect pitch will include Eleanor Hacker, Kathy Hooker, Sylvia Herold, Leslie Bogan, Laurie Nesvig, Margie Stanbery, Larry Cheek, Dale Reynolds, J. Morgan, Dan Hicks, Richard Martizen and Ken Thompson.

VOICE OF EXPERIENCE . . . Kathy Ehlers, left, as "Little Mary Sunshine" has confidence in the advice of Agatha Reardon as Mme. Ernestine Von Liebedich in the Harbor College spring musical which opened Friday at the Seahawk Center. The gentle satire on old fashioned operettas will run through May 21 with the exception of today.

7-Year-Old Drops Pistol; Father Shot in the Knee

Gary Lee Kirtley of 17214 Wilkie was taken by ambulance to Gardena Hospital about 4:45 p.m. last Sunday after he was accidentally shot in the knee.

The accident occurred in the garage at the Kirtley home. He told police the family had just returned from a camping trip when he handed a .22 caliber single shot revolver to his 7-year-old daughter, Candy Kirtley.

As she took the revolver she turned it upside down, causing the revolver to fall from its holster, Kirtley said. When it hit the garage floor the revolver fired, hitting him in the left knee, Kirtley added.

How to weather a heat wave: Eat lightly of nourishing foods; don't get over-tired; take short rests; dress comfortably, your Los Angeles County Heart Assn. advises.

New Dental Office Opens In Downtown Torrance

Dr. Campbell in Convenient Ground Floor Location

Office Moved To Serve Better

Dr. A. G. dilorio, who is in charge of the new Dr. Campbell office, has long felt the need to be in a central location "We can serve more patients better than when we were in San Pedro," Dr. dilorio said.

Dr. F. E. Campbell has operated dental offices in Southern California for over 20 years. They are located from Santa Barbara on the north to Santa Ana on the south.

Starting in downtown Los Angeles over 30 years ago, Dr. Campbell had patients traveling long distances for his services. He decided to establish additional offices in conveniently spaced locations. "Moving my San Pedro office to Torrance carries on this policy," Dr. Campbell said.
