

Waldrip to Attend School Conference

S. E. Waldrip, assistant superintendent of schools for business, will attend the conference of the Association of School Business Officials of the United States and Canada in October. The annual conference will be held in San Francisco October 17 to 22. The conference will be devoted to discussions on new trends in business administration.

Student Body Operations Are Big Business in City

Student body operations at the city's high schools have yielded a net profit of more than \$22,500 during the year according to a statement filed with the Board of Education.

Students at all four high schools operate student stores, collect dues, sell year books, and govern athletic events held at the schools. It's big business, and a profitable one for all the schools.

North High shows up best on the balance sheet, but even West High, now in its second year of operation, has produced a modest profit of nearly \$4,000 on the year.

TOTAL ASSETS of the four student body organizations is listed at \$134,966. Such assets include cash in banks, inventories in the student stores, and equipment such as counters, cash registers, popcorn machines, public address systems, and band uniforms.

Trustees Award Contracts for Athletic Gear

Contracts for athletic equipment and training supplies for the four city high schools were awarded by the Board of Education this week. Total value of the contracts is \$10,106.

The trustees also awarded a contract for \$10,700 for cafeteria equipment for West High School.

A bid for cleaning supplies for the schools was rejected by the board on the recommendation of Dr. J. H. Hull. Dr. Hull said the operations department would evaluate the specifications again.

Money in student body accounts must be spent by the students on students, Dr. J. H. Hull told the trustees Monday evening.

Accidents Do Happen In School

How accident prone are youngsters while they are attending school?

A partial answer was provided in a report to the Board of Education this week. During the first five months of school this year, 776 accidents were reported — an average of 3.3 accidents per 1,000 students.

The report showed a slight increase over last year. High school accidents numbered 371, while there were 405 in elementary schools.

The majority of accidents involved cuts, bruises, sprains, or bumps sustained on the playground or during athletic activities.

In the classroom, accidents resulted in chemical burns, punctures from pencils, a backward flip out of a chair, or black eyes from swinging doors.

One student swallowed a pin, and several students were bitten by animals in the classroom.

BAND TROPHY . . . Dr. Kurt T. Shery (right), president of the Board of Education, presents the Mayor's Trophy for the best local entry in the Torrance Armed Forces Day Parade to Marc Billigmeier, drum major of the Torrance High Tartar Marching Band. Looking on are THS principal Dr. Carl Ahee and music director Leo Sandoval. The Tartar Band took top honors among local entries in last Saturday's parade. (Herald Photo)

Tartar Graduate Wins Fellowship

Barbara Ann Adams, daughter of Mr. and Mrs. George W. Adams of 3210 Sonoma St., has been awarded a Woodrow Wilson National Fellowship for graduate study during the 1964-65 academic year.

Tartar Teen Talk

By Carol White

This is quite a busy week for the students at Torrance High. Opening the week was the ASB Campaign Aud-Call. The Aud-Call was a little bit different from others in the past. Instead of having all candidates make their usual speeches, each candidate was asked, "Why are you running for this office?" or "What do you plan to do?" After candidates commented, a list of questions were asked and any candidate could answer. The highlight of the Aud-Call was the two speeches by candidates for ASB President, Janet Kimbrell and Alvin Sasuga. Voting took place Tuesday. The Tartars voted in official voting booths and used official ballot boxes.

Another big feature for the evening will be guest speaker, Jordan Oliver, of UCLA. Mr. Oliver has also been coach at Loyola and Yale.

Closing the week will be a Freshman Aud-Call. Skits, music, and a resume of freshman speech activities by Dennis Greenwood are just some of the events taking place. Mr. James Stannard will introduce associate CSF members.

GAA Awards will be presented by Miss Vivian See and Coach Howard Towle will announce Freshmen athletes.

THE 1964-1965 pep squad members have been announced. The girls are:

MAJORETTES: Janie Lavender, Janet Lamen, Kathy Ludwig, and Yolanda Solis.

SONG QUEENS: Debbie Boase, Joan Cambon, Bonnie Combs, Jackie Megow, and Pat Meyer.

Yell leaders and mascot were elected last week after performing in front of the student body. Yell leaders are Nancy Barnard, Cheryl Barnett, Pam Blakely, and Judy Rynhardt. Mascot is now Sharon Gunter.

SENIORS ARE now in the process of planning for Senior Day to be held on May 29. The activity will take place at the Torrance Recreation Center.

Congratulations to the Tartar marching band and pep squad units who won Mayor's trophy for best local entry in the Armed Forces Day Parade. See you next week . . .

Coulter maintained a straight A average during his years at South High.

He is the son of Col. and Mrs. Richard Coulter of 4006 Paseo de las Tortugas.

South Senior Wins Honors For Writing

Anita Terry, daughter of Mr. and Mrs. Edward Greenblatt of 211 Calle de Arboles, has been awarded second place in the 43rd annual Atlantic Monthly Creative Writing Contest.

Miss Terry, a senior at South High School, won the award with a story entitled "Days in Late May." The essay will appear in the Analecta, South High literary magazine. Winners names are listed in the June issue of Atlantic Monthly.

Planning to enroll in the University of California at Santa Barbara this fall, Miss Terry says she will major in creative writing.
