

Red Cross Lists Tips On Sitting

With summer near and many boys and girls planning to earn money babysitting, Los Angeles Red Cross nursing services offers the following tips for beginning babysitters.

- Make definite arrangements in advance about time and pay and transportation to and from your babysitting job.
- Prepare a list of telephone numbers you may need: doctor, fire department, police department, telephone number where parents may be reached, neighbor's number in case parents cannot be reached.
- Learn about habits of the child or children you are sitting with such as bedtime.
- Learn before parents leave the home what your responsibilities are. Is there anything unusual or different about the children, what should be done in case of illness, does one need a night light?
- Do not make unnecessary telephone calls.
- Do not have visitors.
- Do not raid the refrigerator without permission.
- Check the child frequently (every 15 or 20 minutes) even when the child is sleeping.
- Do not let strangers into the house.

New Dental Office Opens In Downtown Torrance

Dr. Campbell in Convenient Ground Floor Location

Office Moved To Serve Better

Dr. A. G. diIorio, who is in charge of the new Dr. Campbell office, has long felt the need to be in a central location. "We can serve more patients better than when we were in San Pedro," Dr. diIorio said.

Dr. F. E. Campbell has operated dental offices in Southern California for over 20 years. They are located from Santa Barbara on the north to Santa Ana on the south.

Starting in downtown Los Angeles over 30 years ago, Dr. Campbell had patients traveling long distances for his services. He decided to establish additional offices in conveniently spaced locations. "Moving my San Pedro office to Torrance carries on this policy," Dr. Campbell said.
