FOR LUCKY GRAD . . . Raul Matute, senior class president at South High, gives a new Ford Mustang the once-over at Disneyland. The car will be given to some lucky graduate during an all-night party at Disneyland June 11. About 30 schools, including South and West High, will send their grads to the storybook land for the all-night party June 11. Odds for any one grad on the car are probably 2,500 to 1.

Disneyland Grad Night Party Set

Seniors from South and West High School will hold their final class gatherings at Disneyland June 11—following commencement exercises at the two schools. More than 200 West High grads and a South High class of 500 will go to the Disneyland party by bus.

About 30 schools will be represented at the gigantic all-night party at the Magic Kingdom. Someone in the big crowd will drive home in a 1964 Ford Mustang which Disneyland will give away.

Seniors may attend the party for \$6.50 each, reports the sponsoring PTA. Buses will leave the two schools at 11 p.m. and return about 6 a.m. For the ticket, grads will get unlimited use of the attractions, rides, and exhibits at Disneyland. Shooting galleries, however, will be closed.

Members of the PTA organizations at the two schools will attend as chaperones for the two classes. All grad niters will be given free souvenir photographs.

West High seniors may purchase tickets at the school. Spartan grads may get their tickets in the student store.

Lung cancer is a leading cause of death from cancer. Studies by the American Cancer Society and others have shown that cigarette smoking is a major cause of lung cancer. Support the Society's Crusade and help give the public the life-saving facts about lung cancer.
