

# Tartar Teen Talk

By Carol White

Things are quite different on the Tartar High campus than they were just eight months ago. Instead of students talking excitedly as they walk from their classes about the new teacher or the new subject, they walk more solemnly and think of the summer or worry about finals.

There are no games to be played, no more speeches to be made. Yes, the 1964 spring semester is almost over.

The scene, however, of the seniors is different in another way. Instead of groaning because of the nine months ahead, they are full of grins as they think of the two short weeks left. The activities coming up for seniors are good reasons for their smiles.

SENIOR DAY is the first activity for the class. It will be held tomorrow at Torrance Recreation Center and the city plunge. Games will be played, the twist will be danced, and you can bet heads will be wet. There will be plenty of food and fun.

Planning for the 14th annual all-night grad party is in full swing. This year, the party will be held at the Mayflower Ballroom in Inglewood. The evening will begin with commencement exercises and end sometime the following morning around the breakfast table. Tickets will be on sale Monday for \$5 per person.

Baccalaureate services for

the Class of '64 will be held June 7 in the Tartar auditorium. The public will be admitted for the services at 2:45 p.m.

LAST THURSDAY night, the annual sports award banquet was held and the letterman awards were given to the athletes. The American Blanket Awards were given to Tom Brase for football, Larry Parker for cross country and track, Norm Fern for wrestling, Mike Hatter for basketball, Dave Day for tennis, and Rod White for baseball.

Larry Parker was named Torrance High Athlete of the Year for his performance in cross country, wrestling, and track. Another highlight of the evening was the announcement that Mike Hatter had been selected as the athlete with the highest grade point average.

Speaker at the banquet was Jordan Olivar, former head football coach at Loyola and Vale University. He was introduced by Dr. Carl Ahee, THS principal.

The sophomore class held its first car wash last week and enjoyed a rousing success. They plan to make it an annual activity.

See you next week . . .

Every duty which we omit, obscures some truth which we should have known.

—John Ruskin

## Students' Work To Be Published

Works of three Torrance students will appear in the 1964 Hornspoon, literary magazine published by students of California State College at Long Beach.

Contributors are Jay Rouse, 22909 Anza Ave.; Suzie Schenk, 4304 Highgrove Ave.; and Elizabeth Edwins, 19910 Saltee Ave.

If you would reform the world from its errors and vices, begin by enlisting the mothers. —Charles Simmons

## Pep Boys Name Finalists In Scholarship Selection

Three high school seniors have been named winners in Pep Boys' 12th Annual Traffic Safety Essay Competition, which made them eligible to win Pep Boys' 12th Annual four-year engineering scholarship to a state college or university.

Donald E. Baker of Westminster, Alan R. Lemerande of Westminster and Thomas A. DePaolis Jr. of Rialto each won a \$50 U.S. savings bond and a special trophy for his essay on the subject, "What I would do to prevent traffic accidents and save lives." Murray Rosenfeld, executive vice president and general manager of the Pep Boys Auto Supply Stores, made the awards at Pep Boys General Offices in Los Angeles.

FINAL SELECTION of the scholarship winner will be made on the basis of the student's essay, scholastic standing, citizenship and score on a college entrance examination.

Joseph Kaplan, manager of the Los Angeles Chapter of the National Safety Council, which cooperates each year in judging the essays, commended the

Pep Boys organization for promoting interest among students in traffic safety, stating, "This annual scholarship award competition does much to encourage our youth to come forward with practical solutions to the urgent problems of automotive and traffic safety."

The panel of judges who selected the essay winners consisted of Howard Amborne, Inspector, California Highway Patrol; Superior Court Judge Evette J. Younger; Joseph Kaplan of the National Safety Council's Los Angeles Chapter; and Cecil Zaun, Supervisor of the

Safety and Driver Instruction Section of the Los Angeles City Schools.

## Sally Plumer to Join Honor Group

Sally Ann Plumer, daughter of Mr. and Mrs. W. H. Plumer of 20530 Wayne Ave., has been initiated into the Cal Poly Honor Society at California State Polytechnic College at San Luis Obispo.

Miss Plumer, a physical education major at Cal Poly, is a Torrance High graduate.
