Free Film Set Here Saturday

A free two-hour color film entitled "Proclaiming 'Everlasting Good News' Around the World" will be presented at the three-day assembly of Jehovah's Witnesses scheduled for Redondo Union High School this week-end.

Leonard Olliff, presiding minister of the Torrance Congregation of Jehovah's Witnesses, said the film would be shown Saturday in the girls' gym at Redondo Union High.

The film was produced by the Watch Tower Society as part of the around-the-world series of assemblies held from June 30 to Sept. 8, 1963, by Jehovah's Witnesses. More than 580,000 persons in 181 countries participated in the assembly.

"This film is not just a travelogue," Olliff said, "although it shows scenes in 22 countries and 36 cities and many highlights of this unusual assembly. The theme draws on the basic influences at work in our modern civilization that are undermining the morale and spirituality of people in all nations and all walks of life."

Olliff said the film will be shown to people throughout the world. It has been sched-

uled in cities in the United States and will soon be taken to South America, Asia, and Africa.

Saturday's showing will begin at 7 p. m.
