A total of 108 students were suspended during the eighth school month in Torrance schools, the Board of Education was told this week.

The number of suspensions for the month did not increase over last year, and the rate per 100 students dropped slightly. During the eight months since school began in September, officials have suspended a total of 1,224 students. For the same period last year, 1,067 students were suspended.

**Chamber Begins Search For Citizen of the Year**

Nomination blanks for the annual Citizen of the Year award have been mailed to clubs, organizations, and members of the Chamber of Commerce, according to Hedley P. Atherton Jr., chairman of the Chamber of Commerce Awards committee.

Selections of the Citizen of the Year will be announced at the Chamber's annual banquet, scheduled for the Pen and Quill Restaurant June 27.

The annual award, begun in 1953, is given in memory of two Torrance residents whose achievements were milestones in the history of Torrance. The program is sponsored in memory of Dr. William I. Laughon and Grover C. Whyte. Whyte was publisher of the HERALD for nearly 30 years. Nominees will be judged on their contributions to the city of Torrance and to the general welfare of the residents of the community in 1963. Any person, organization, or association may enter one or more candidates for the award.

All entries must be post-marked on or before June 13. Nomination forms can be obtained at the Chamber office, 2204 Torrance Blvd.
