

## Gardena Emblem Club's Annual Luau on June 13

Gardena Emblem Club will stage its annual "Luau" on June 13 at the Elks Hall, 1735 W. 162nd St., Gardena. Members and guests will don South Sea island attire for this delightful evening. A dinner of Polynesian foods will be served from 7:30 to 9 p.m., followed by a hula contest. Prizes will be awarded for the best costumes and a program of entertainment has been planned. Charley Hicks and his "Exotic Hawaiians" will furnish dance music to conclude activities.

Hostesses are Mrs. Donald Slemmons and Mrs. Ned Sutcliffe. Mrs. Edward Miller is chairman of the decorating committee and Mrs. Ray Niles is serving as choreographer. Tickets may be secured by calling Mrs. Ned Sutcliffe, chairman, or the Elks Lodge. Mrs. Marvin Knapp has asked members wishing to attend the quarterly meeting to be held at South Lake, Tahoe, contact her.

## Bringing Up Baby.

**HINTS COLLECTED BY MRS. DAN GERBER, MOTHER OF 5**

I suppose almost every mother worries about thumb-sucking at one time or another. But most experts agree that if not overdone, it's perfectly normal, rarely harmful. Things that may cut down excessive thumb-sucking: If a young baby sucks his thumb lustily, it could be that he needs more time at breast or bottle. Toddlers can often be distracted from thumb-sucking with 2-way games or do-something toys.

**Babyhood basic.** All-age babies benefit from specially prepared cereals for the special food values they supply. Gerber Baby Cereals are enriched with iron, calcium and B-vitamins . . . nutrients needed every day. Gerber Cereals are also prepared with your baby's eating pleasure in mind. Flavors are pleasantly mild, the way babies prefer them . . . the texture extra-soft to the tongue. And they stir to smooth perfection in seconds.

**Regulating idea.** When your baby is ready to go on a 3-meals-a-day schedule, you'll find a change of scene or a bit of attention will help him wait out a half hour or so to meet his new schedule. Babies are adaptable and will usually settle for attention if the wait isn't too long.

**Growing idea.** Your baby gains more in height and weight the first year than the next two put together. That's why it's important to see that he gets plenty of protein foods . . . the great "helping hands" of growth. Gerber Strained and Junior Meats are high in precious protein, extra-low in fat and easy as can be to digest. Made from special cuts, selected by Armour, they're processed by an exclusive method which insures the wonderfully smooth, moist texture these quality meats are famous for. **PLAN INSTALLATION . . .** At a dinner-dance Saturday, with their husbands as special guests, the Mothers of Twins club will install its new officers for the coming year. Discussing the installation are from left, new officers, Mmes. Robert Jackson, president; Fred Casstevens, second vice president, Cleve Kimmel, corresponding secretary; and Andrew Meier, outgoing president.

### Plans League Benefit Dance

North Torrance Babe Ruth League Auxiliary will hold its annual "Get-Acquainted" Dance Saturday, June 13, from 9 to 1:30 a.m. at the American Legion Hall, 1424 S. Prairie Ave., Hawthorne. The public is invited to attend. All proceeds will be used to buy equipment for the Babe Ruth League.

### At Dinner-Dance Saturday Mothers of Twins To Install Officers

The new president is the mother of seven-year-old twins, Karl and Joyce and two other children, David, 11, and Kathy, 9. She has served the Mothers of Twins Club as first vice president, secretary, fashion show chairman, and as chairman and committee member for many other club projects. Mrs. Jackson is a member of the choir of the South Bay Christian Church in Redondo. Her husband is director of research with North American's Space and Information Division, Downey. Retiring president is Mrs. Andrew Meier of San Pedro.

### Ann Landers

(Continued from Page 27) nize themselves. They prefer to call themselves "casual and relaxed." Remember?

Dear Ann Landers: A very close friend asked my advice about a family problem. I suggested that she write to Ann Landers. Her reply was, "I don't want to write to Ann Landers. She'll tell me to mind my own business."

My friend's sister-in-law is running around with a man. Everyone sees what goes on except her husband. He works the 4:30 p.m. to 1 a.m. shift and has no idea that Martha is seeing a boy friend every night, right in their own home, after the children are put to bed.

The relatives are all furious with Martha because she is doing such a slick job of pulling the wool over her husband's eyes. Don't you feel that somebody should tell him? Who is the right person to wise him up? — **READY TO BOIL OVER**

Dear Ready: There is no "right person" to wise up this husband. He'll wise up by himself one of these days and until then, everyone should mind his own business.

If excessive drinking is wrecking your health or destroying someone you love, send for ANN LANDERS' booklet, "Help For The Alcoholic," enclosing with your request 20 cents in coin and a long, self-addressed, stamped envelope.

Ann Landers will be glad to help you with your problems. Send them to her in care of this newspaper enclosing a stamped, self-addressed envelope. (c) 1964, Publishers Newspaper Syndicate.

### Club Plans Luncheon

Plans for a luncheon to be served to the public at the Masonic Temple on June 18 were made at the meeting of the Betsy Ross club May 19 at the temple. Tickets are now being sold for the luncheon and those wishing tickets may call Mrs. Emma Ratzloff. After the business meeting at the May 19 meeting, the members enjoyed a luncheon and spent the afternoon working on tea towels and other items for their fall bazaar. Hostesses for the dessert luncheon were Mmes. Marv

McDonald and Ricka Johnson. A group of the Betsy Ross members attended the Queen for a Day television show on Wednesday. Next club meeting is set for June 18.

**HAVE YOU EVER SEEN 7,000 STORM MEN CRY?** You'd think success would make them happy, but ever since Mustang came out, seven thousand Ford Dealers all over the country have been weeping and wringing their hands. They can't get as many Mustangs as they would like. All this would upset us, too, except it's happened to us before. You see, this was the hottest sales year in Ford Division history even before Mustang came out. At the beginning of the model-year, dealers couldn't get enough of our big, hot Super Torque Ford Hardtops (sales up 54%)...or luxurious Thunderbirds (sales up 68%). Falcon sales are almost as big as Chevy II and Valiant combined. Fairlane continues to be a leader in its field. So, even though some people would like us to put all our plants to work on Mustang, we can't let down our hundreds of thousands of Ford, Thunderbird, Falcon and Fairlane lovers. Why don't you come see what all the shouting's about? Ask your Ford Dealer for a test drive. (You might even get him to smile.)
