Evans Given Highest of Moose Honors at Chicago

James A. Evans, secretary of the Torrance Moose Lodge 785 has been honored by the Loyal Order of Moose at the 76th international convention in Chicago.

He received the Pilgrim Degree of Merit at the convention, a degree given only to those who have rendered outstanding service to the Loyal

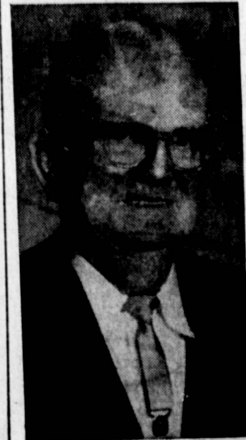

Order of Moose for many years. It is the highest award of the Order.

Evans was given the degree during special awards ceremonies at the House of God on the campus of Mooseheart, Ill., world headquarters of the Loyal Order of Moose.

WELL KNOWN in Torrance, Evans has served as secretary of the local lodge since 1950. He came to Torrance in 1934 and worked for the Columbia Steel Mills until 1937. From 1937 to 1948, Evans and his wife, Martha, operated a stationery shop in Torrance.

At 82, Evans still walks the mile between his home and the Moose Lodge once or twice each day. Born in Kimbolton, Ohio, in 1882, Evans was the youngest child in a family of five boys and four girls. He began working for a railroad in 1899 and remained on the job until 1933, with the exception of a two-year stint at a steel mill from 1909 to 1911.

Evans has been a member of the Loyal Order of Moose since 1912. He will be robed in the new degree in ceremonies to be conducted by the Pilgrim Council of California. A date for the ceremonies will be set later.

JAMES A. EVANS Honored in Chicago

Realty Board Accepts 46 New Members in May

Members of the Torrance-Lomita Board of Realtors approved membership of 46 new applicants last week, according to Del Wright, president of the board.

Full membership was extended to Raymond Bruce, Robert Fox, and Emil Kaye during a recent business session of the board. Harlan Howe and Anita Tinkham were approved for class "B" memberships.

Associate applicants approved by the board, were: Geraldine Alquist, Quincy Bachar, Helen Binstein, Bradford Bryan, Noreen Catalogne, Ronald Collins, Allen De Lapp, Michael Draie, Joyce Dunn, and Donald Forth.

Other new associate members are: Robert Fulford, Eugene Fuller, Bernhard Glassman, Edward Hayes, Dorothy Hendrix, Osborne Johnson, William King, William Lamis, Charles Layne, Geneva McDonald, Elsa Meyer, Eugene Meyer Jr., and Karl Neumann.

Also approved as associate memberships were: James Newell, Michael O'Conner, Joseph Porter, Dorothy Randles, Ronald Roth, Glenn Saxton, Fern Scaglione, Eugene Sch-

neider, Alfredo Segreto, Irene Smith, Jeanne Stillman, and Lillian Williams.

Non-resident brokers accepted for membership were Morris Comras, Frank Keenen, and Ralph Werner. Marion Bayer, Morris Siegal, and Janet Traum were given non-resident salesmen memberships.

Mary Toombs, chairman of the membership committee, introduced the new members and Frances Bernard described the benefits and obligations of membership. New members were installed by Paddy Ryan, past president of the board.

Torrance Man Participates In Institute

Edward J. Schlossman, 21021 Doble Ave., will be one of 30 persons selected to participate in counseling and guidance institute this summer at the California State College at Long Beach.

The participants in the U. S. Office of Education institute will intern for 20 hours a week in summer high schools in Long Beach. They also will attend lectures, seminars, and participate in group discussions.

The group will receive grants of \$75 per week plus dependent allowance from the institute.

Gregory Bailey Enrolls in Top Science Class

Gregory V. Bailey of Torrance is one of 30 gifted high school juniors selected from throughout the nation to participate in the sixth annual summer science program at the Thacher School in Ojai, Calif.

The boys will take an intensive six-week course in advanced astronomical problems. The classes begin June 21 and will be conducted by top ranking scientists.

The program is sponsored by the National Science Foundation in cooperation with several universities and industrial concerns.

Library Group Sets College Book Fair

The third annual Marymount Book Fair has been scheduled for Oct. 16, 17 and 18 at the Palos Verdes Peninsula Shopping Center, sponsored by the Friends of the Marymount College Library.

All classes of books and publications from paperbacks to old hardbound volumes are needed, and may be dropped off at the Administration Building on the Marymount Palos Verdes Estates campus.

All proceeds from the fair are to be used to purchase new books for the college library.

John Cassinelli Honor Graduate

John Earl Cassinelli, 4017 Emerald, will be graduated with honors from Northrop Institute of Technology, Inglewood, Friday.

Science Shrinks Piles New-Way Without Surgery Stops Itch—Relieves Pain

New York, N. Y. (Special) — For the first time science has found a new healing substance with the astonishing ability to shrink hemorrhoids, stop itching, and relieve pain — without surgery.

In one hemorrhoid case after another, "very striking improvement" was reported and verified by a doctor's observations. Pain was relieved promptly. And, while gently relieving pain, actual reduction or retraction (shrinking) took place.

And most amazing of all — this improvement was maintained in cases where a doctor's observations were continued over a period of many months! In fact, results were so thorough that sufferers were able to make such astonishing state-

ments as "Piles have ceased to be a problem!" And among these sufferers were a very wide variety of hemorrhoid conditions, some of 10 to 20 years' standing.

All this, without the use of narcotics, anesthetics or astringents of any kind. The secret is a new healing substance (Bio-Dyne®) — the discovery of a world-famous research institution. Already, Bio-Dyne is in wide use for healing injured tissue on all parts of the body.

This new healing substance is offered in suppository or ointment form called Preparation H®. Ask for individually sealed convenient Preparation H Suppositories or Preparation H Ointment with special applicator. Preparation H is sold at all drug counters.
