

Social Security Accounts Warrant Careful Attention

Social security accounts deserve the same careful attention given to bank accounts, savings accounts, and other matters important to the future, Miles Davis, district social security manager, warned this week.

Davis said earnings credited to the account of an employee or a self-employed person determines the amount of a social security benefit for him, his dependents, or his survivors. The higher the wage credit, the higher the benefits, said Davis.

AN EMPLOYEE can use his W-2 form to check the wages reported for his. Total wages earned and taxes for withholding purposes are reported as well as wages which were subject to social security.

Davis said anyone may obtain a statement of his social security credits by writing to the national headquarters in Baltimore, Maryland. He added it is especially important for such checks to be made when you change jobs often.

A post card request form may be obtained at the local social security office, 1408 Crenshaw Blvd.

Other questions about social security will be answered at the office, said Davis. Persons may visit the office or call FA 0-4020. The Torrance office also serves Gardena, Harbor City, Hermosa Beach, Lawndale, Lomita, Manhattan Beach, Palos Verdes, Redondo Beach, and Rolling Hills.

Gerald Alter Cited by Local Board of Realtors

Gerald L. Alter, known throughout Torrance as "Mr. Realtor," was honored by members of the Torrance-Lomita Board of Realtors at a luncheon meeting recently.

Alter, a member of the local board since 1946, received a plaque from board president Dell Wright.

A resident of Torrance since 1939, Alter first entered the home building business with his father. He became a licensed contractor in 1939, and acquired his realtors license in 1946.

He served as chairman of the multiple listing service when the local office organized the service in 1945. Since 1949, Alter has operated his own firm in Torrance, and has several branches.

In addition to membership in the local board, Alter is a member of the Long Beach, San Pedro, and South Bay and "Who's Who in Commerce and Industry."

HONOR REALTOR . . . Gerald L. Arter received a plaque in recognition of his service to the Torrance-Lomita Board of Realtors during award ceremonies for National Realtor Week. With Alter are board president Dell Wright and Paddy Ryan, a past president of the board. Alter has been a member of the local board since 1946.

Subdivision Okayed In Lomita District

The Regional Planning Commission has approved the petition of Georgia Building Corp., 426 Via Corta, Palos Verdes Estates, and Calico Building Corp. of the same address, to subdivide four acres located north of Lomita Avenue and east of Narbonne Avenue, in the Lomita zoned district. The acreage will be subdivided into 28 unlimited residences and commercial lots.

PUT A TIGER IN YOUR TANK!

NO, EMMA... IT'S IN THE GASOLINE!

NEW POWER-FORMULA ENCO EXTRA GASOLINE BOOSTS POWER THREE WAYS:

- 1 Cleaning Power!** Dirt can clog even a new carburetor in a few months of normal operation—causing hard starting and rough idling. Your very first tankful of New Enco Extra will start to clear away these deposits—in new engines or old—to improve power and mileage.
- 2 Firing Power!** Spark plug and cylinder deposits can cause misfiring, pre-ignition and hot spots. New Enco Extra neutralizes these harmful deposits—to help your engine fire smoothly, to help preserve the power of new cars and restore lost power to many older cars.
- 3 Octane Power!** New Enco Extra has the high octane that most cars now need for full smooth performance without knocking. You'll get all these extras with New Power-formula Enco Extra gasoline—it puts a tiger in your tank!

Happy Motoring!
