# 1963/64 REPORT

NOT A REQUEST FOR CONTRIBUTIONS

## VOLUNTEERS PUT DOLLARS TO WORK

Four hundred volunteers in 27 budget committees, representing your communities and Area, put in 3,096 hours of free time carefully studying United Way services and searching out what people need the most in the way of help. Then they put your dollars to work where, according to their best judgment, they would do the most good.

I HAVEN'T BEEN AROUND LONG, but I hear all this talk about our forefathers . . . how wonderful they were and how we don't grow people like them anymore.

Well, they WERE great—always getting together to raise barns for each other and cooking up bowls of soup for sick neighbors.

BUT YOU VOLUNTEERS ARE JUST AS GREAT, maybe more so. You got together to build ONE organization out of 35 competing Community Chests, United Funds, National agencies like USO, and several independent causes.

You raised \$15,582,135 to work many wonders through 300 United Way services turning your dollars into care for people.

This money is doing wonderful things . . . just take a look at the report on this page.

Thank you for raising me the right way . . . the United Way
