

Some Camp Space Yet Available

Upcoming Torrance YMCA camps still have a few openings, according to Art Sears, camp director.

Boys 12 and over may sign up for a July 17-25 Kit Caravan to the Alpine Lake area, Ghost Town, Monmouth, Calaveras State Park, and Yosemite National Park.

Nine to 12-year-olds can attend Camp Little Green Valley, near Lake Arrowhead, from July 4 to 11. Activities will include swimming every day, canoeing, hiking, burro rides, archery, crafts, and camp fire programs. Theme for the camp will be built around the Olympic Year.

Jordan Jones, Art Sears, and Gary Snapp will be directors, with a number of leaders and counsellors from the Torrance Y. FA 8-1272, where more information can be obtained.

Navy Plans Tours for Area Groups

Guided tours of the Long Beach Naval Station will be conducted during the summer, according to Chief Vandorne E. Isaak, Torrance Navy recruiter.

Isaak said the one-day tours will give the public a chance to see first-hand the real strength of the U. S. Navy. The tour will include a visit to the USS Roncador, a reserve training submarine.

Other points of interest during the tours will be visits to a general visiting ship—which might be an aircraft carrier, guided missile cruiser, or a destroyer. Guests may eat at the mess hall for a nominal fee.

Adults and children over 12 are eligible for the tours. They will be conducted each Saturday and Sunday. Persons wanting reservations or additional information should contact Isaak at 1520 Cravens Ave. or call FA 0-3141.

Vital Record Files Moved To New Site

Approximately two and one-half million file copies of birth and death certificates of the City of Los Angeles have been moved to the County Recorder's Office in the merger of the City and County Health Departments.

All birth, death and marriage records where the event occurred within the County of Los Angeles may now be obtained in person or by mail from:

The County Recorder, Room 10 New Hall of Records, 227 North Broadway, Los Angeles, 90012.

Centralization of vital records in one office will end confusion that existed where persons residing inside or outside of the City of Los Angeles applied for copies of certificates which marked events occurring outside of the City, according to Supervisor Kenneth Hahn, chairman of Recorder's Department.

UNDER THE Board of Supervisors' policy of providing the best public service with minimum cost, County Recorder Ray E. Lee is hopeful his Department can continue to provide copies of these valuable records by immediate return mail or while the applicant waits.

The Department is currently using the latest model electrostatic, photographic, and microfilm copy makers to speed preparation of certified copies from positive and negative files, loose leaf, bound in books, and on microfilm covering from as far back as the 1870's.

Marine Private First Class Ernest W. McInnes, son of Mr. and Mrs. Robert D. McInnes, of 17709 Atkinson Ave., departed from San Diego, June 4 aboard the Navy transport ship USS Mitchell for duty in Okinawa.

Before his departure to the Far East, he and other Okinawa-bound Marines served with Staging Battalion, Marine Corps Base, Camp Pendleton.
