

RECOGNITION . . . Steve Jefferson and Mervin Schwab hold a trophy recently presented to the Torrance YMCA for its successful building fund drive. The trophy was presented during the 82nd annual meeting of the Los Angeles YMCA at the Statler-Hilton Hotel. Jefferson, 19, was the youngest of the team captains who went over the goal in the teams division of the drive. Schwab served on the special gifts committee.

Contractors Plan Study Aid for Zell

Steve Zell, of 26209 President Ave., Harbor City, has been awarded a \$500 scholarship by the Southern California chapter of Associated General Contractors to aid in his preparation for a career in the construction business. Robert R. Hensler, chairman of the chapter's education committee, said that this was one of three scholarships awarded for the 1964-65 scholastic year. Other award winners were George DiMundo, of Glendale, and James E. Lenihan, of Gardena. Zell, 17, is the son of Mr. and Mrs. Warren E. Zell, electrical engineer, of Harbor City.

He graduated from Narbonne High School in June with a 4.04 grade average. Zell plans to attend UCLA with the beginning of the fall semester. He will major in business, with a minor in engineering. Hensler said that the AGC awards are based on scholarship rating, financial need, and the student's interest in building a career in the construction business.

Volunteers Win Trophy For New 'Y'

Volunteers who were successful in raising funds for the new Torrance YMCA were granted special recognition for their efforts at the 82nd annual meeting of the Los Angeles YMCA in June. Waller Taylor II, chairman of the "Y" Buildings for Youth campaign, presented the trophy to Mervin Schwab, a member of the special gifts committee, and Steve Jefferson, youngest of the quota busting team captains in the teams division of the drive. Jefferson is 19.

The Torrance Family YMCA was successful in raising more than \$525,000 on a local goal of \$450,000. Additional monies supplied by the Metropolitan YMCA have swelled the total to more than \$675,000.

The Torrance campaign also set a national record during its final week. The \$85,000 reported by the teams division is the largest amount ever reported in a YMCA building drive in the United States in a one week period.

Ground breaking for the new local facility has been set for Oct. 17 on the site at 2800 W. Sepulveda Blvd. Actual construction will get under way as soon as enough cash is accumulated through pledges made in the campaign.

The trophy is engraved: "The YMCA of Los Angeles honors the people of the Torrance Family YMCA for their outstanding achievement on behalf of youth in substantially oversubscribing their Y Buildings for Youth goal."

'Bondage or Liberty' Is Unity Topic

Man was created free but endowed with the power of personal choice. Every soul must choose for itself "Bondage or Liberty," says the Unity lesson for Sunday. Services at the Unity Church of Christianity will be held at 10:50 a.m. at 3855 W. 242nd St.

The church, affiliated with the Unity School of Christianity at Lee's Summit, Mo., has invited area residents to worship.

Sunday's lesson on "Bondage or Liberty" says understanding, freedom, and liberty come from the seed of light implanted in each man from the beginning. The text will be St. John 8:30, "And you shall know the truth, and the truth shall make you free."

Women of Unity will meet Tuesday at 11 a.m. at the Church House, 2256 Torrance Blvd. Further information may be obtained by calling 320-4871.

Of the 12 million Americans suffering from arthritis and rheumatism, more than 60 per cent are in their prime working years, says The National Foundation-March of Dimes.
