

Vets Vie At Ascot Saturday

Veteran race drivers, led by Billy Cantrell, Johnnie Tolan, Johnny Moorhouse, Porky Rachwitz and Joe Garson, will be out to halt the younger generation Saturday night at Ascot Park in a United States Auto Club championship midget race.

The old-timers won the first two 50-lap main events of the year before 29-year-old Don Horvath put a stop to things.

As it was, Horvath only won on the last lap following a duel with 45-year-old Tolan, the national midget champion in 1952 and veteran of four Indianapolis 500-mile races.

Allen Heath, victor in the first two main events, is temporarily sidelined with an injured shoulder, suffered in a spectacular three-car pile-up on the 27th lap last week.

Rachwitz and Garson, who were also involved in the accident, have entirely recovered from minor injuries and will race Saturday.

Representing the youngsters, along with Horvath, will be Paul Jones, holder of the Ascot three-lap trophy dash record; Bobby Hogle and Lowell Sachs.

Along with the 18-car, 50-lap main event, Saturday night's program will include the opening trophy dash, four 8-lap heat races and a 15-lap

Two Win Awards At Dinner

Two National Recreation Association awards were presented by the Torrance Recreation Department at a recent awards dinner.

The Hollywood Riviera Rotary Club received an NRA award for their donation of a Youth Center which was built for El Retiro Park. The center was constructed in memory of Basil "Biff" Cunningham, a well-known youth leader in the South Bay area.

Councilman David K. Lyman presented the award to Carl Rogers, president of the Hollywood Riviera Rotary Club.

The second award went to George Gillum, a local radio station owner and audio engineer who received the honor for his time, services, staff and equipment which he has repeatedly made available to the Torrance Recreation Department.

Presenting the award to Gillum was Councilman Ted Olson.

Mrs. Naomi McVey presided over the dinner. Mrs. McVey is chairman of the Parks and Recreation Commission.

semi-main. Qualifying will begin at 7 p.m. with the first race at 8:30 p.m.

Dragsters Will Meet At Fontana

The two fastest dragster drivers in the United States will meet in a two-out-of-three match race Saturday at the new Fontana International Dragway.

World record holder Frank Cannon and Paul Sotherland will meet head-on in addition to the regular Saturday night program at the new Mickey Thompson strip. Some 50 fuel and gas dragsters will be competing for top eliminator honors.

Both Cannon and Sotherland have been red hot of late. Neither has been defeated in recent months. Two weeks ago, Sotherland turned in an unofficial speed of 199.54 miles per hour at Fontana, to better Cannon's official world mark of 199.10 mph.

Early entries in top eliminator competition include former record holders Ken Safford and Don Moody, with Gary Gabelich and Jack Ewell also on hand.

Thompson plans to have several special races each week, including Le Mans type starts, backward races and foot races.

The Fontana Dragway is located on Foothill Boulevard, just east of Etiwanda Avenue in Fontana. Children under 12 will be admitted free and parking is also free.

Fencers Seek New Members

The Torrance Recreation Department Fencing Club is now meeting at the Joslyn Recreation Center, 3335 Torrance Blvd.

The club meets each Wednesday evening from 7:30 to 9:30. Lyle "Jeep" Lamonte is the director.

New members between the ages of 14 and 18 are now being sought by the club. Experience in tap, ballet, acrobatic, or modern dance is desirable.

Qualified persons may have an opportunity to enter competition against high school and junior college students. Competition for the Southern California championships also is open.

Interested persons may obtain additional information from the Recreation Department at FA 8-5310, extension 263.

Torrance from Campbell High School in San Jose, will have a physical education assignment in addition to his duties as Tartar mentor.

He succeeds Irv Kasten, who resigned earlier this year to accept an assistant coaching position at Santa Monica High School.

The new coach played college ball at the University of Houston. He has been head coach in San Jose for the past three years.
