## ON SATURDAY

### Colorado King Will Lead Field for Hollypark 'Cup'

Hollywood Park will present its "Race of Champions," the \$162,100 Hollywood Gold Cup, for the 25th time Saturday at the "track of the lakes and flowers" in Inglewood.

The mile and one-quarter classic ranks as one of America's most important events for thoroughbreds in the handicap division and offers a guaranteed purse of \$102,100 to the winner.

Expected to head a star-

studded assemblage of the nation's brightest older stakes performers is Colorado King, the South African sensation who vaulted into probable Gold Cup favoritism with a brilliant July 4th victory in the \$55,200 American Handicap, the final major stepping stone to the Hollywood Gold Cup.

Colorado King won by eight lengths in 1:46 2/5, shattering the Hollywood Park track record for a mile

and one-eighth set by New Policy in 1960 and equaling Bug Brush's world standard established in 1959.

IT MARKED Colorado King's initial stakes success since his importation from South Africa and signaled an extremely promising future for the son of Italian sire Grand Rapids.

Mr. and Mrs. Fraser Morrison's Washington-bred ace, Mustard Plaster, who rose from relative obscurity to win the \$115,500 Californian and subsequently has been a hard-charging runner-up in both the \$55,200 Inglewood Handicap and the American Handicap, is expected to head formidable opposition for Colorado King.

Other outstanding candidates will include Mr. and Mrs. L. K. Shapiro's ever-dangerous Native Diver, winner of the Inglewood Handicap; Mrs. Ann Pepper's Mr. Consistency, T. E. Brittingham III's speedy Viking Spirit, Ralph Lowe's Drill Site, Grossman and Gold's Fachsenon and Wheatley Stable's Bold Commander, a highly regarded invader from New York.

### New Competitors Set For Meet With Russia

Emphasizing the continuing trend of talent development, a total of 23 new competitors—on both sides—will see action in the sixth U.S. vs. Soviet Union dual track and field meet Saturday and Sunday, July 25-26, in the Coliseum.

Thirteen Americans will get their initial taste of this pressure-packed international competition and there will be

10 Soviets making their debut. Of the newcomers, there will be head-to-head clashes in seven events—100 meters, 400, 800, 5,000, high jump, hammer and decathlon.

One of the most interesting should be in the 5,000. Each team has a veteran entered capable of breaking the world record of 13:35. And the neophytes, Kestutis Orentas of Russia and the Yank schoolboy wonder, Jerry Lindgren, appear exceptionally close. Lindgren was clocked in 13:44 in the Compton Invitational while Orentas has a best of 13:45.

### 14 Tordondo Stars Earn Recognition

Fourteen players have been selected to the Tordondo Little League All-Star team.

The Cubs and Indians each placed three men on the squad to lead all teams. Named from the Indians were Jim Mullins, Mike Weatherman and Ward Miller. Larry Brown, Bob Blackburn and Gary Jackson were selected from the Cubs.

Other All-Stars included Gary Hulse and Mark Kurttick, Braves; Ricky Hon and Larry Thomas, Dodgers; Corky Arneson, White Sox; Bruce Netherly, Yankees; Wayne Larson, Senators; and Frank Williams, Tigers.

GARY NORMAN, Braves; Dick Marshall, Senators; Keny Stickle, Tigers; and Martin Shober, White Sox, were tabbed as alternates.

Bob Weatherman will manage the All-Stars while Joe Kurttick will serve as coach.

The Cubs wound up with the Major League championship following a 5-0 win over the Indians last Sunday. Larry Brown fanned 17 men and slammed a home run to pace the win.

Brown's blast brought home Bobby Martin and Dave Wurst to give the Cubs a three-run third inning.

Catcher Wayne Blackburn and Bob Martin doubled to back up Brown's shutout hurling.

THE ONLY difference is that Orentas is no kid. At 25 years of age, he has knocked his time down from a peak of 13:58.8 last season. Lindgren, just out of high school, is barely 18. And that 13:44 was the first time he had ever run the full distance!

Things should also be hopping in the high jump. The two southlanders, Ed Caruthers and John Rambo, edged out John Thomas to make the U.S. team. While they can hardly be considered threats against the phenomenal Valeriy Brumel, who will be after his own world standard of 7 ft. 5 1/2 in., it should be a stirring match for the second spot.

THE SOVIETS' second entry will be Andrei Khmarskiy, a 19-year-old with a best effort of 7 ft. 3/4 in. Rambo has the best U.S. mark this year, 7-1 1/4 while Caruthers scaled seven feet for the first time in winning the National AAU. The decathlon should also be a tangle among the tyros. The Yanks will count on Don Jeisy, who developed fast in late season and scored 7,768 points for a second in the AAU. The Soviet newcomer is Mikhail Storozhenko, with a best of 7,511 points.

Russia has a total of five sprinters entered, including relay team members, and two are newcomers—Bros Zubov, with times of 10.3 and 21.0, and Boris Savchuk, 10.4 and 21.2.

ALL-STARS . . . Torrance American Little League All-Stars will open the District 27 playoffs on July 23 at the Pacific Coast Little League field in Lomita. Pictured are (front L to R) Bill Murray, Chuck Ex, Marty Theodosius and Kenneth Steidley; (second row—L to R) Danny Creek, Dennis Carpenter, John Anderson, Mike Astiazaran, Tim Wirlick, and Dean Jurisich; (top L to R) Jerry Adams, Jeff McDevitt, Mike Ragland, Larry Schaeffer, Ernie Gutter and Gary Blair. Not pictured are manager Mel Winter and traveling coach Frank Astiazaran.

## IN EXHIBITION

### Two All-Star Teams Fail To Defeat Tappa Keggas

Even a pair of select all-star teams could not halt the Taft-Allyn Tappa Keggas in two July 4 exhibition slo-pitch games at Gardena.

More than 1,500 people were on hand as the Keggas handed the East All-Stars a 4-0 licking and came back with a 4-2 triumph over the West All-Stars in the second game.

Both All-Star clubs came from the West Coast Slo-Pitch Association, where the Tappa Keggas are currently running away with the team championship.

In the opening game, Chuck Ryan picked up his eleventh win against only one loss as he limited the Easterners to three hits.

THE KEGGAS backed up Ryan with an 11-hit barrage off loser Ted Kaminsky. Chuck Schoendienst went 3 for 3 at the dish and Ray Magnante went 2 for 2 to pace the Kegs. Charlie Williams and Scotty Maxie each connected twice in three trips.

With one down in the third inning, the Keggas opened the scoring when Ryan singled, went to third on a double by Schoendienst and Magnante doubled for two tallies.

In the fifth frame, Maxie singled and came all the way around on a double by Schoendienst. The final Keg run scored in the sixth as Williams singled, advanced to

second on a fielder's choice and tallied on a single by Tony Couch.

Both clubs pulled off a pair of double plays in the first game.

IT WAS Schoendienst picking up the win in the second contest as he limited the Westerners to eight safeties and snared his ninth victory in 10 decisions.

Lynn Frantz was tagged with the loss although he stopped the Kegs on eight safeties.

The Kegs rammed one run over in the first frame when Maxie singled, advanced to third on a pair of

fielder's choices, and skipped home on a single by Gib Matthews.

In the third frame, the West All-Stars momentarily took the lead when a single, a double, a fielder's choice and a sacrifice fly accounted for two runs.

A two-run fourth inning put the Keggas back on top to stay. Charlie Williams opened with a single and moved to third when Eddie Williams connected on another one-bagger.

Charlie Williams scored on a sacrifice fly by Couch and Ed Williams came over with the go-ahead run on a single by Bob Ryan.

### Red Devils Will Tangle With Westchester Nine

Attempting to remain in South Bay Connie Mack League title contention, the Torrance Red Devils will meet Westchester today at 1:30 p.m. on the Loyola University field, located near Manchester and Loyola Boulevard.

Prior to this weekend's action, the Devils owned a 5-2 mark and were tied with Beach Cities for second place in the loop standings. The Tordona Bullets, with a 7-1 mark, paced the league.

Last weekend, former Tor-

rance High great Don Coil spun a two-hitter, striking out 19 men as the Red Devils whipped San Pedro, 5-0.

Coil hurled six frames of no-hit ball before San Pedro outfielder John Trani singled to open the seventh frame. In the ninth inning, with two out, Trani singled to account for the second Pedro safety.

Never in trouble, Coil on three different occasions set the side down on strikeouts. Torrance gave Coil all the margin he needed in the second inning. Bill Coffman was hit by a pitch and Bill Rathkovic walked. Ernie Clayton was safe on a fielder's choice that removed Coffman and Les Dutcher singled to drive Rathkovic around.

### Three-Way CAR Fight Due Today

A three-way battle for hot rod supremacy should erupt this afternoon in California Auto Racing action at Ascot Park in Gardena.

Long Beach's Chuck Conrad continues to lead in hot rod point standings, but his margin is so narrow that a new pace-setter could emerge after this afternoon's 25-lap main event.

Trailing Conrad are Phil Bowers and Art Hayes. In the fourth spot is Jim Greenhill, who miraculously escaped injury three weeks ago in an end-over-end crash during a main event.

ROUNDING out the top 10 in the hot rod division are Bill Bartley, Ray Voden, Bud Matson, Bud Asty, Chuck Robbins and Tink Elenburg.

Conrad, who is in his third year of racing, recently suffered his first serious accident. His car was accidentally bumped by Phil Bowers, and forced into an uncontrolled spin that resulted in a broadside crash with Bill Bartley. Neither driver was seriously injured.

ON July 3, Conrad rebounded from the crash by winning the hot rod main event in San Bernardino.

Claimers will share the spotlight with the hot rods on the quarter mile Ascot oval. Both divisions will feature 25-lap main events. The first race is at 2 p.m. with qualifying an hour earlier.

In the claimer division, a battle for the main event will loom between Nester Sylvara and Frank Thompson, both from Gardena.

## American Loop Tabs All-Stars

The Torrance American Little League All-Star team was announced this week by loop officials.

Two clubs, the Tigers and the White Sox, landed three men each on the squad. The Tigers placed pitcher-shortstop Jerry Adams, pitcher-first baseman Mike Ragland and pitcher-third baseman Chuck Ex.

The White Sox landed outfielder Dennis Carpenter, pitcher-outfielder, Larry Schaeffer and shortstop Dean Jurisich.

Other All-Stars include pitcher-second baseman Danny Creek from the Athletics, pitcher-outfielder Mike Astiazaran and pitcher-shortstop Jerf McDevitt from the Dodgers, pitcher-catcher John Anderson and third baseman Tim Wirlick from the Giants, shortstop William Murray and pitcher-first baseman Ernie Cutter from the Pirates and catcher Marty Theodosius from the Red Sox.

GARY BLAIR of the Red Sox and Kenneth Steidley of the Pirates were tabbed as alternates. Mel Winter will manage the club while Frank Astiazaran will serve as traveling coach.

During the regular season, Jerry Adams led the league in pitching with an 8-1 record and also topped the loop in home runs with 8. John Anderson boasted the highest batting average at .475.

The All-Star team will compete in the District 27 Tournament, which will run from July 23 to Aug. 1, according to tourney director John Schnepf.

Teams from Carson and Fre-Way little leagues will open the tourney on July 22 on the Pacific Coast Little League field. On July 23, Torrance American will meet Lomita on the Pacific Coast diamond.

DOMINGUEZ and Victoria Park will tangle on July 24 and Torrance National and Harbor City will meet July 25. Both games will also be held on the Pacific Coast field.

All opening-round games, except for the Torrance National-Harbor City contest, will begin at 5:30 p.m. Torrance National and Harbor City will play at 2 p.m.

On July 27, North Torrance West will host the winner of the Carson-Fre-Way contest at 5:30 p.m. North Torrance East will tangle with the winner of the Torrance American-Lomita game on July 28 at 5:30 p.m. on the North Torrance West diamond.

CENTRAL Torrance Little League will vie with the winner of the Dominguez-Victoria Park tilt on July 27 at 5:30 p.m. on the Pacific Coast field. At 5:30 p.m. on July 28, Pacific Coast will host the winner of the Torrance National-Harbor City game.

Semi-final games will be played at 5:30 p.m. on July 30 at the North Torrance West field and at 5:30 p.m. July 31 on the same diamond.

BIG CATCH . . . Edward Laskey, 3702 W. W. 224th St., and his daughter Susan, 3-years old, show off the 11 lb. 6 oz. German Brown Trout he pulled from Silver Lake in the June Lake loop last week. The trout was 30 1/2 inches long and had a girth measurement of 17 inches. Laskey was using extra light tackle and a spinner from the bank. It took him 35 minutes to land the tackle-buster.

## PERFECT DAY

### Woodward Boosts Twins To Colt League Triumph

Doug Woodward enjoyed a perfect 4 for 4 at the plate last Sunday as the Twins hung a 5-4 loss on the Tigers for their second Torrance Colt League win of the season.

In the seventh inning, with the bases loaded and one out, Woodward belted a double to give the Twins their go-ahead runs.

Pete Algrim and Daryl Masuyama teamed on the hill, allowing six hits. Masuyama collected the win.

Dennis Tempe started for the Tigers but gave way to Bob Sharpe in the seventh inning. Tempe and Sharpe were rapped for seven hits.

THE POWER-hitting Giants collected 13 safeties in a 10-5 triumph over the Braves. Dick White led the hitting parade with a home run while Chick James went 3 for 4 and John Richard went 3 for 5, with 28 strikeouts in 29 innings. Terry Gulick collected 2 hits in three trips while Jim McPherson and Kent Majors went 2 for 4.

Brad Holmes went the route for the Giants and gave

up only three hits. Richard Gonzales, Wayne Wood and Greg Shearer split mound chores for the losers.

The Braves scored all four of their runs in the fourth frame on three walks and hits by Steve Combs and Wayne

Wood.

With the Colt League year all but over, the Giants continue to pace the circuit with a 9-1-1 mark. The Tigers (6-3-3), Angels (5-6-1), Braves (5-7-0) and Twins (2-10-10) trail.

### Two Former Spartans Impress Angel Brass

Two former South High team loop. Two other Angel babies were also impressive in recent weeks. High-priced Rick Reichardt, at Qu a d Cities of the Midwest League, hit .350 with one double, a home run, five RBIs and four stolen bases in five games.

Reichardt is the former University of Wisconsin star who twice led the Big Ten in hitting.

Another rookie, Tom Egan of El Rancho High, now with Idaho Falls of the Pioneer League, boasts nine RBIs in 15 games, including two home runs.
