

Prudential Agent Gets High Honor

John H. Paules, an agent for the Prudential Insurance Co., has received the National Quality Awards. The award, according to South Bay district manager Douglas Tinsler, is one of the insurance industry's highest awards. It is given to the agents who have a high percentage of the insurance they have sold in force. Paules presently is assigned to the South Bay office at 1401 Cravens Ave.

MOST PRESSING
Multiple sclerosis is a chronic, disabling, progressive disease of man's central nervous system. Said the late Dr. Thomas M. Rivers, former head of the Rockefeller Research Institute: "MS is the most pressing neurological problem of our time."

WIN PRAISE... The Pharaohs, a young band composed of Torrance area youngsters, are pictured here with Judge Evelle J. Younger, a candidate for district attorney. The band, whose members are Barry Carter, Lindy Nuzzo, Ernie and Richard Hernandez, and Yolanda Hernandez, also won praise from President Johnson for their appearance at the Paladium during the President's California visit.
