Veterans Advised on Insurance

TORRANCE—Miss Helen K. Dill of the Torrance Veterans Service Center announced that Veterans National Service Life Insurance dividend payments will go automatically to beneficiaries of record where the veterans who died had insurance in force at the time of death.

No application will be required in such cases, according to Miss Dill. If the insurance was not in force at the time of death, however, the dividend will be paid to the veterans' estates. Payment will be made through the administrator of the veterans' estates, she said. If there is no administrator, payments will be made directly to persons who are entitled to veteran's estates. Inheritance laws of the states residents at the time of death will govern each case. Where the GI insurance had been allowed to lapse, claim forms will be sent by the VA to those persons found to be entitled to all, or a share, of the veterans' dividends. Payments of dividends in behalf of deceased veterans will begin soon, Miss Dill said. These are expected to be substantially completed by June 30 this year.
